ELECTION SPECIAL

VOL. LXXXVII, NO. 42 15 CENTS PER COPY

Robert Wilton is new Mayor

Trustee Robert C. Wilton's active campaign for the office of Mayor was blessed with success yesterday as Antioch voters selected him for the four year term. Wilton defeated incumbent Mayor Raymond P. Toff and Trustee Margaret Nelson.

Wilton's Citizen's Action Party gained all of the three vacant seats on the Village Board. Party members elected as Trustees are: Michael Haley,

William Seemann, Ronald Cunningham

Incumbent Village Clerk Marilyn J. Sterbenz was given the nod by voters to continue for another term. Her opponent was C.A.P. member Shirley Gutowski.

Wilton based his campaign on a platform of eight promises for future planning and progress in Antioch. The C.A.P. leaned heavily on mass advertising.

**MAYOR
ROBERT C. WILTON**

Village Clerk, Marilyn Sterbenz

Trustee Ronald Cunningham

Trustee Micheal Haley

Trustee William Seemann

Antioch's Sales Tax Threatened

Antioch area citizens went to the polls in four separate elections this past week, electing members of the Grade School, High School, Junior college and Village Boards. William Brook president of the Antioch Community High School Board, casts his vote in that election. **VOTE TOTALS FROM THE GRADE SCHOOL DISTRICT 34 AND HIGH SCHOOL DISTRICT 117 MAY BE FOUND ON PAGE 5. (Staff Photo)**

In the quiet week before the election Antioch has been teetering on the border of a near crisis. The crisis can be listed under the State of Illinois "House Bill No. 552". The Bill concerns the re-distribution of local sales and service tax. If passed, it would allow only 20 percent of the sales tax to come back into the community as the place of origin. The remaining 80 percent would go to the County. This would mean that Antioch would be receiving about 65 percent less revenue from sales and services taxes than they are at present.

Village Clerk Marilyn Sterbenz said, "This would certainly be a hardship on the Village Budget."

Mayor Toff has sent telegrams to all the local legislators, including Representatives Donald Deuster, Bill Murphy, Daniel Pierce and Senator Karl Berning, expressing Antioch's opposition to the passage of such a Bill. The Bill went before the House last Monday, April 9th.

KINDERGARTEN ENROLLMENT SET

If you have a child who is five years old or one that will be five before December 2, 1973, then it is time to make some arrangements for kindergarten.

Kindergarten enrollment will be held in the Kindergarten through fifth grade buildings at Antioch, Channel Lake and Oakland, on April 16th through April 19th from 9:00 a.m. to 1:00 p.m.

WEDNESDAY, APRIL 18

Antioch Community High School board Meeting, 7:30 p.m.
Lakeside Rebekah Lodge meeting-Legion Hall 8 p.m. - Appointive Officers Nite - District 3
Antioch Art Guild - 7 p.m. - First National Bank Community Room

THURSDAY, APRIL 19

Antioch Rotary - Noon - Brave Bull
Women of the Moose 8 p.m.
Young Republicans Dirksen Day Dinner, 6:30 p.m. Sheraton, Waukegan Motor Inn
Lake County Mother of Twins Club - 8 p.m., Waukegan YWCA
Spring Choral Concert at High School - 8 p.m.

SATURDAY, APRIL 21

Last Day for Little League Registration - 10 to 4 p.m., Scout House
Jesus Rally - High School

SUNDAY, APRIL 22

Attend the church of your choice. Service times listed further in paper. Happy Easter everyone.

MONDAY, APRIL 23

Antioch Garden Club Spring Luncheon - 12:30 p.m. Brae Lock Country Club - Rte 45
Order of Rainbow Girls - 7 p.m. Masonic Lodge

TUESDAY, APRIL 24

Royal Neighbors Meeting
Antioch Township Library Board Meeting
AARP meeting - 12:30 - Methodist Church

WEDNESDAY, APRIL 25

Lake County Hammond Organ Society - Waukegan Library 7:30 p.m.

JOAN TOFT RECEIVES AWARD

Mrs. Joan Toft was presented with an engraved plaque that supported a clock at last Tuesday night's (April 10th) regular Grade School Board meeting. The plaque was awarded to Mrs. Toft in appreciation for her nine years of service on the Board. She has witnessed many changes since she has been on the Board. During that time she was to see a change in the administration, an increased enrollment and a new school come into being, namely the Upper Grade School.

She was to join forces with the Board as they worked to steadily up-grade their education as they faced financial dilemmas and unpassed referendums.

When asked if her experience on the School Board was worthwhile, she said, "It most certainly was. It has been an education in itself. I really think everybody should serve on a board of this type. It is a

wonderful experience working with people and you become aware of so very much."

The School Board's work goes on, and that same night the matter of Student Insurance was settled on. Leslie W. Sorenson's proposal was accepted. Student Insurance will be priced at \$2.75 per student. This figure is .25 cents more than last year, but that is because this year's policy

offers additional coverage. It will insure the student during the school hours including an hour before and after school and it will pay the entire bill for a semi-private room if a child is hospitalized. Last year's policy paid \$40 a day towards the hospital bill.

The Salary Committee made a long report to the Board in a private executive session and will meet again on Monday at 7:30 p.m.

Joan Toft, who has served on the Grade School Board for the past 9 years, receives a tribute from Board President, Gerald VanderMeer, at last Tuesday night's Grade School Board meeting. (Staff Photo)

RECKLESS DRIVING CHARGED

On Saturday, April 14th, at 2:28 p.m. a three car accident occurred at the intersection of Lake Street and Broadway. No one was injured in the crash, but the cars were heavily damaged, two of them having to be towed away.

A 17 year old Antioch youth was charged with reckless driving, after Officer Tim Zelinski, who was assisted by Officer Steve Revell, investigated the scene of the accident. Several reliable witnesses also aided the Officers in making the arrest.

The charged youth said he pulled out of a parking lot and started driving South on Broadway "going kinda fast". He said he saw the stop sign at the intersection of Lake Street, but he didn't think he could stop, so he tried to make a left hand turn on Lake Street, but he didn't make it. He then slammed in to a car that was going East on Lake Street. The car attempted to avoid the speeding vehicle, but was struck before evasive action could be taken.

The stricken car then crashed into a parked car on Lake Street. The driver of the car was not in it at the time of the accident.

A witness said, "The car was travelling at a high rate of speed and didn't appear to try to stop at the stop sign."

Joan Toft admires the special wall clock she was awarded for her many years of service while Board member, Jay Richardson looks on. (Staff Photo)

HOUSE BILLS TO ACT UPON

You can help the Grade School District No. 34 to receive \$175,000 in additional State Aid and the High School to receive \$104,000 in additional State Aid. Few would argue the fact that these additional monies are of great quantities and that they are badly needed by both systems.

The way to see that the school systems receive this additional revenue would be to write to your State Senator Karl Berning voicing your support of House Bill No. 372.

House Bill No. 372 is an equalization type bill that will amend the school code to provide the qualifying rates for the State Aid for elementary and high school districts that shall be respectively 162% for the Grade School and 70% for the high school.

The Bill will attempt to provide Dual District School Systems with as much state support as the Unit District Systems have been receiving. The Antioch school has been part of the Dual district group called DUE (Dual Unit Equality) that has banded together over the past three years. They have been working towards legislation to give the Dual Districts as much State aid as the Unit Districts. At the present time there is a great difference between the aid that is given. The Bill will not make the aid equal, but according to Supt. Henry Meyer, it will go a long way toward equalizing state aid between unit and dual districts.

This difference was created in 1948 when there were between four and five thousand school districts in Illinois. In order to encourage unification of these districts, the States offered to increase State Aid for Unit Districts. The plan worked as there are now only 1,200 school districts in Illinois.

Many problems are involved in becoming a Unit District and Antioch has not begun to tackle these problems as yet.

This Spring House Bill No. 372 passed in the State House of Representatives and it will now pass on to the Senate for their consideration.

On Wednesday, April 11th, the Senate Education Committee, met to consider the Bill. About 60-70 Superintendents and Board members were also in attendance. From Antioch both Supt. Henry Meyer and Supt. Warren Polley attended the meeting as did Supt. John Kakacek from Emmons. The men spent the day in Springfield talking to the Senators, both before and after the Committee meeting. They also presented arguments to the Committee in favor of the Bill. When all was said and done the

YOUNG PEOPLE HAVE POSITIVE THOUGHTS

Dear Editor:

Jobs for teenagers are hard to get. There are many openings, but sometimes they require references, a certain age, or just aren't for you.

If you're under 15 or 16, you probably can't get a good paying job. If you have to pay for your own clothes and you babysit or mow lawns to earn your money, there isn't much you can buy.

The merchants should hire more help or have shifts between the teenagers. Many teenagers can do just as much work as those of legal age.

Sincerely,
Michele Blanchette

Rte 2, Box 131B
Antioch, Ill. 60002

A THANKS FROM THE
RHYTHM BAND

On behalf of the First Graders at St. Peter's School, I would like to thank you and your staff for the very wonderful coverage you gave

our Rhythm Band Revue in your paper.

The program was a big success and very well attended and enjoyed by all present.

Most sincerely,
Mrs. Laura Young
St. Peter's School

Dear Editor:

I disagree with the people who have been saying that the POW's shouldn't be getting all the praise they've been getting. I think they should get all this praise and more for first going into the war to fight for what our country thought was right, and second for going through all the torture some of them went through without giving in to the Communist beliefs.

I agree that the men that got killed in the war should be thought of and honored, but the returning POW's could have been killed too and so I feel that they too should be praised.

Sincerely,
Jo Vasek
617 Phillip Circle
Antioch, Illinois 60002

EASTER SUNDAY

Easter is a mystical blend of Christianity and paganism, steeped in a rich heritage of legends and tradition. Yet with its many meanings, Easter still adds up to one thing for all of us - a joyful celebration of life. The symbolism that is an integral part of the holiday attests to that. The religious color for Easter, white, is the sign of purity, light and joy; the Easter bunny represents abundant new life; and even the sunrise services have their roots in a legend which declares that the rays of light bursting through the clouds on Easter morning are angels dancing for joy. Of course, the resurrection of Jesus Christ is a symbol of re-birth and hope to millions of Christians the world over.

April 22 will mark this year's celebration of Easter. As always, it will be a quiet day for most, filled with worship, Easter egg hunts - or maybe just contemplation of the coming of Spring this year, when a new chance for lasting peace brightens the hopes of all men.

Committee voted as follows: 11 members in favor of the Bill, 1 member opposed and 1 absentee. The Committee will now recommend a "do pass" to the full Senate.

Our Superintendents have done their part in helping to secure the passage of the Bill, but now it is up to us, the citizens of Antioch to step forward and to do our part. Write to our State Senator Karl Berning and let him know that you too support the Bill. Write to:

Karl Berning
Illinois Senate
1006 Rosemary Terrace
Deerfield, Illinois, 60015

And while you're at it, with pen in hand, write to our Representatives opposing House Bill No. 552, as explained in this paper. If this Bill should pass, Antioch may suffer some severe repercussions in the future. Write to:

Rep. Donald Deuster
132 N. Sylven Lake Drive
Mundelein, Illinois 60060

Rep. Daniel Pierce
1923 Lake Avenue
Highland Park, Illinois 60035

Rep. W.J. Murphy
Box 383
Antioch, Illinois 60002

Remember that old saying: "The pen is mightier than the sword"

Dear Sir:

I believe the legalizing of Marijuana isn't the best thing to have happened. When young people say they are going to get high, they're not going out to have real fun, they're going out to have artificial fun. A fun that's just made up for them. All they have to do is swallow it and get high. That's not the true fun that people who don't take drugs do when they go out. People nowadays take life for granted. I think the people who take drugs really don't live a real life. Maybe the people who legalized Marijuana live an artificial life. I think the Marijuana laws should be revoked.

Sincerely
Linda-Roe
Rte 3, Box 287
Antioch, Ill. 60002

The following letter was sent to us by Representative Daniel M. Pierce. It is a copy of a letter he wrote concerning Antioch's Sewer Expansion to Henry J. Handzel, of the EPA.

Mr. Henry J. Handzel, Jr.
Enforcement Services
Illinois Environmental
Protection Agency
2200 Churchill Road
Springfield, Ill. 62706

Dear Mr. Handzel:

Thank you for your letter informing me that pursuant to statute, the Village of Antioch has filed a Petition for Variance, requesting a delay from December 31, 1973 until June 30, 1974, for its sewage treatment plant.

I very much support the granting of this variance. The Village of Antioch has tried very conscientiously to meet the December 31 deadline, but due to delays in approval by the Federal Environmental Protection Agency, the deadline cannot now be met. The Village had the local funds available but governmental delays made the deadline impossible to meet. Therefore, I respectfully request that the variance be granted to the Village of Antioch providing for the six months delay.

Very truly yours,
Daniel M. Pierce
State Representative

FACTS DON'T ALWAYS APPLY:

Dear Editor:

"Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health."

In the distant village of Vilcabamba, Ecuador people drink rum, smoke cigarettes from 40 to 60 a day, yet the people live up to 100, even 140 years old.

A census taken by the Ecuador government shows in 1971 in the village of 819 people, there were three over 120 years old, six were between 100 and 120 years old, nineteen between 85 and 99 and 28 were 70 to 84 years old.

What is their secret of becoming so old? Since smoking is hazardous, maybe the warning doesn't apply, because they can't read it!

Sincerely,
Fred Wagner
P.O. Box 144
Gurnee, Ill 60031

ANGIE MARAS BECOMES LOCAL, DISTRICT AND STATE WINNER AND EVERYTHING IS SEW, SEW

Mrs. Daniel Maras received an exciting telephone call on Monday, April 4, in the midst of the snow storm, that caught us all by surprise. The call informed her that she had become the State winner in the SPADEA Designer's Patterns Contest and would now go on to represent the State of Illinois as well as the Illinois General Federation of Women's Clubs in the National competition.

On Wednesday, April 4th, Mrs. Maras and her husband travelled to Springfield, to participate in the State finals. Mrs. Maras modeled her entry, which consisted of a dress and a matching coat, and was told she would be notified if she was a winner that night or the next day. When the call failed to come Mrs. Maras resigned herself to the fact that she had not won. But then on Monday, Mrs. James McMillen, a good friend of Mrs. Maras's, called to tell her the good news and explained that the SPADEA people had misplaced her telephone number. They did know Mrs. McMillen's however, and contacted her to pass on the good word.

Mrs. Maras already won the local and district finals and to date she has won 15 Spadea Designer patterns, a paperback version of Sewing Tips, a Pants Book which features 50

styles of pants, a Spadea Designer Hard Cover Sew Book, a Spadea Designer Pattern Book and three yards of Renel fabric.

This is the first contest of this type and it is being sponsored by Spadea patterns and the General Federation of Women's Clubs. If Mrs. Maras becomes a National winner, she will win a ten day expense paid round-trip to Italy for one (valued up to \$1,500.00). The trip includes visits to Italian designers in Rome, Florence and Milan.

The theme of the contest is to create an outfit that would be ideal as "A Club Woman's Travel Costume". Mrs. Maras created a fall travelling costume that consisted of a brown double wool knit dress with a matching coat. The dress is fully lined for comfort, it is sleeveless and may be worn separate or with a blouse. The wood effect buttons give Mrs. Maras's coat a unique effect. She put a great deal of time into the hand tailoring around the collar, sleeves and all around the coat giving it a complete tailored look. Another unique feature is that the pattern calls for a high stand up collar, and the collar was made in such a way that it can be attached either to the coat or the dress. It took Mrs.

Mrs. Daniel Maras, (left) winner of the local, district, and State Spadea Designer Patterns contest, looks over the many Spadea Patterns with Mrs. Anthony Stanich, President of the Antioch General Federation of Women's Club. (Staff Photo)

Maras about a month to complete her project. She purchased her pattern at the Marshall Field State Street Store, and if Mrs. Maras wins the National finals, the clerk who sold her the pattern will also win the same prize.

Mrs. Maras said, "The Spadea Designer Patterns are very unique. The styles are elegant and different. They really give you the feeling of the all around look."

A graduate of the Marie

Boecler Sewing School in Chicago, Mrs. Maras was lucky enough to have Marie Boecler, who is a French Dressmaker and Designer as her teacher. Mrs. Maras remembers her saying, "You can do it Angie," "I know you can". And apparently she was right.

Mrs. Maras has been a sewing teacher herself as she has taught 4-H girls how to sew; commenting that some of the girls still come to her for advice on any difficulties they may encounter.

"I always encouraged the girls to use good material and to do quality sewing. The secret to a quality garment is Press - Press - Press - each time a piece is added - Press". Mrs. Maras said.

The final judging will be completed on May 10th and the winners will be announced at the National Convention on June 10th. GOOD LUCK, ANGIE!

FLOODPLANS PROTECTION

State Senator Karl Berning introduced legislation today that would give the state regulatory powers over development of the floodplain areas in Illinois.

The bills would require anyone wanting to fill, excavate, build or alter an existing structure on a floodplain to first receive a permit from the Illinois Natural Resources Development Board.

Berning said, "Changes in the natural character of floodplains throughout the area have seriously affected the ability of these lands to absorb or impede the rapid flow of water from heavy rainfalls and snow storms. This condition has resulted in constant threat of flooding and excessive property damage, costly erosion, the siltation of downstream properties, and pollution of our streams and rivers."

The bills also require state departments, local governments and public utilities to have specifications for public works projects cleared by the Board before they may be constructed in floodplain areas.

"This year's floods along the Mississippi and the periodic overflow of other rivers in the state like the Des Plaines, Fox and Rock rivers should have taught us by now that we need to take some kind of preventive measures to avoid this kind of economic and environmental disaster," Berning said.

"I am hopeful that the regulatory powers included in these bills will curb development of our floodplains and therefore put a limit on future destruction," he added.

While the bills would place all floodplain lands under the jurisdiction of the Natural Resources Development Board including those with home rule communities, local and county units of government who presently have the ability to issue building permits could continue to regulate local construction if they adopted similar provisions equal to, or stronger than, those of the Board.

Berning said, "We don't want to subvert the power of local units of government, but unless the floodplain regulations are consistent throughout the state, they would be useless."

MAPLETHORPE RE-ELECTED AS CHIEF

Tod Maplethorpe was re-elected as the Chief of the Fire Department at the regular Annual Fire Department meeting, on Tuesday, April 10th. Mr. Maplethorpe has served as Chief of the Department since 1966. He will have been a member of the Antioch Fire Department for 27 years this December, having joined it in December of 1946. He has also been the Superintendent of Public Works in the Village for the past two years and has been with the Village and the plant for the past 20 years.

Dan Kasik was elected as the new President. Ray Gallagher was elected as vice-president and Dale Frasch was re-elected as Secretary. John Doetsch will fill the job of Sergeant of Arms.

Three men were also elected to represent the Antioch Fire Department in the Lake Country Fire Association. These men are: Jim Quendenfeld, Frank Kuchenmeister and Chief Tod Maplethorpe.

At the meeting Chief Maplethorpe reported to the Department on what steps must be taken in order to secure the "Class 6" insurance rating that has been assigned to Antioch.

These steps include: the up-grading of the record system (which has already been started), the up-grading of vehicle inspection (this will begin after the Chief Engineer Bernie Gutowski finishes school, and will be readily available), and Building Inspections must be stepped up (all public buildings will be inspected). The training program also must be up-graded. One of the most difficult steps

that the Department must take is to see to it that there are at least 20 men at all structure fires. Right now there are only 10 men on the average at each structure fire. To provide this additional man-power the Department is in the process of amending one of their by-laws.

The new by-law will allow individuals living outside of the Village to be a member of the Department, if they can be readily available. This will allow inactive members who have moved out of Antioch proper to return to the Department and Chief Maplethorpe commented that they do have some men that fall into this category.

When the Department meets

again they will tour Pickard China. this is part of their building inspection program. The Department has already toured Regal China and Quaker Industries, in hopes of securing a better idea of the construction of the buildings and to identify and fire hazards.

TIME TO CLEAN UP

The Village Board set "Clean Up Week" for the week of May 7th through the 14th. This will allow residents two weekends in which to participate. So be sure to mark these dates on your calendar.

SCHOOL BOARD ELECTION RESULTS

Saturday's (April 14, 1973) school board elections have been completed and the four vacant seats between the two boards have been filled.

The High School elections had the largest turnout as some 1,284 voters went to the polls. Frank C. Johnson and Charles Forster defeated Evelyn Bolt and Frank J. Toal, Sr. in the election. The breakdown of the votes cast is as follows:

Of the total number of votes cast: Charles Forster, 817; Frank Johnson, 814; Evelyn Bolt, 482; Frank J. Toal, 346.

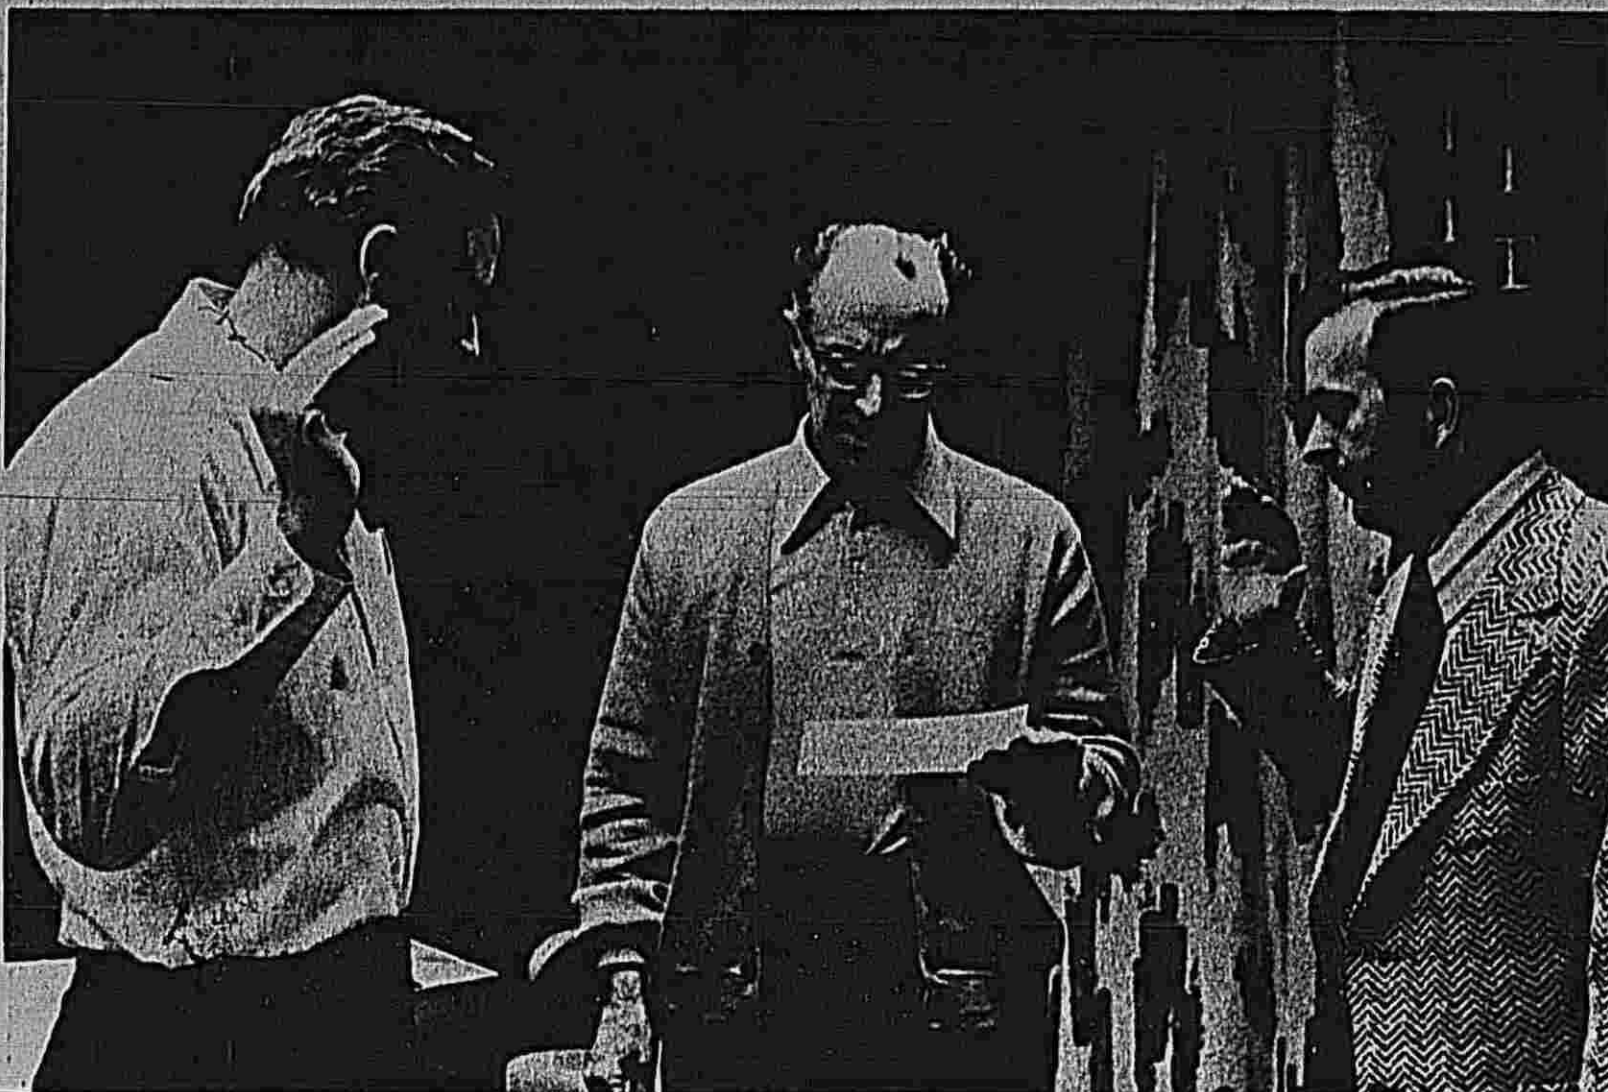

In Precinct 1 the vote total was: Forster, 660; Johnson, 662; Bolt, 147; Toal, 84.

In Precinct 2, Lake Villa the

vote tally was: Bolt, 152; Johnson, 102; Toal, 102; Forster, 90.

In Precinct 3—B.J. Hooper School the vote total was: Bolt, 183; Toal, 160; Johnson, 90; Forster, 63.

There were approximately 26 spoiled ballots in the election and two of the voters failed to cast their vote for any of the candidates. The number of votes cast can be considered higher than in previous years. These figures are as yet unofficial and the Board will canvass the votes tonight at 7:00 p.m. The new board members will take their seats when the official tally is announced and accepted. The new board will then select a

Sam Kohr swears-in recently elected members of the Grade School Board: Gerald VanderMeer (left) and Robert Kelley. The first action of the newly constituted Board was to elect officers. VanderMeer was chosen to continue as President and Mildred LaPlante was selected as Secretary. The Board also retained William W. Nauman as treasurer. (Staff Photo)

President Pro-tem and a secretary. An Attorney will swear in the new members and a tribute will be made in the honor of retiring Board President William Brook and William Petty.

The first matter on the new Board's agenda will be to set the date, time and place for their regular monthly meetings

for the new terms. When this matter is settled, the Board will resume with business as usual.

The Grade School Board elections were on the quiet side. A total number of 254 voters went to the polls in this election, which is a considerably low figure. Of these votes Gerald VanderMeer received

228 votes and Robert Kelley received 208 votes.

Since there was no contest for the two open seats, there was some question as to whether or not a write-in candidate could succeed in the elections. However, there were about 14 write-in candidates in the election, who received on the average of one vote apiece.

A LAST VILLAGE BOARD MEETING

Monday night's Village Board meeting was the last meeting before the Village elections. It was the last regular meeting for Trustee George Bartlett, who chose not to run again. Also, it may have been the last meeting for Mayor Ray Toft, Village Clerk Marilyn Sterbenz and Trustee Robert Wilton, candidates in Tuesday's election.

Many ends were tied up at this last meeting. The amended Curnes Special Use Permit Ordinance was read and questions were raised over the dedicated street Greenbriar. The problem of whether the Village should pave the street and then charge the developers or whether the developers should pave their portion of the street and the Village do theirs, was finally settled. The Village will go ahead and pave the entire street, so that it is all completed at one time, and the developers will be charged for their portion. At that time the Re-amended Ordinance was accepted by the Board.

The bids for the Main Street Popular Storm Sewer System were reviewed. The Village received 11 bids. The bids were narrowed down to three: Gluth Brothers \$88,926.; J.R. Meyers, \$96,912.45; Dempsey Inc. \$96,406.10. The Gluth (the lowest) contract was accepted by the Board. Bids were also reviewed for 4,000 tons of black top, and for the new squad car.

Trustee Wilton recommended the Board authorize the changing of the mail box on the West side of Broadway to the East side of the water-tower, which was the old location for the Salvation Army Box. The change would allow five additional parking spaces for the post office. The Board voted to make the change and there will soon be ten minute parking in that

area.

The meeting was recessed shortly after 10:15 p.m. and will be continued at 8:00 p.m. on April 23rd.

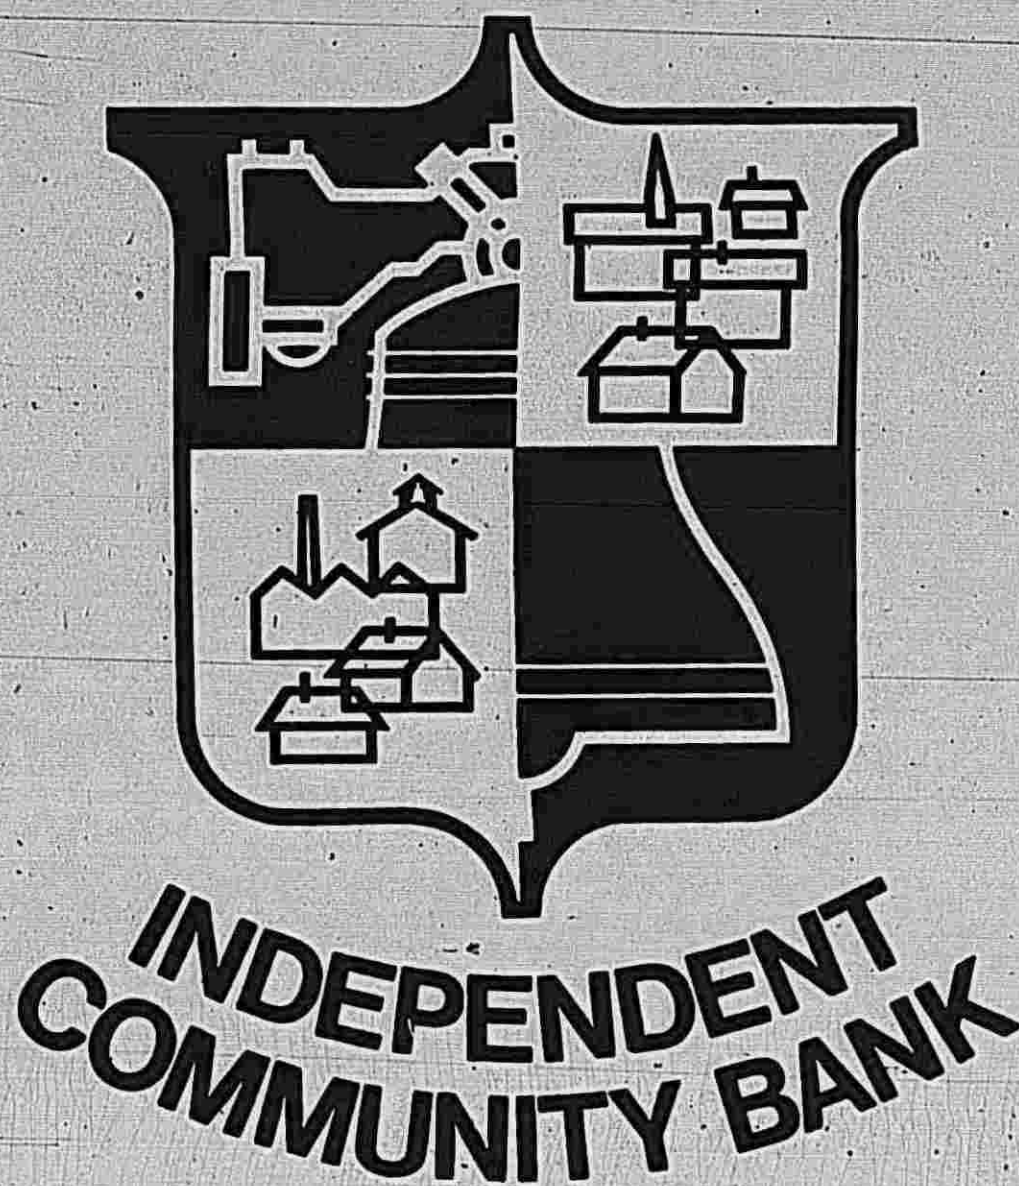

by: Carol Drygas
DRAPERY CLEANING—
Sunlight and Oxidation

The Better Business Bureau bulletin "Invisible Enemies of Your Draperies" tells us that constant exposure to the bright, hot rays of the sun will damage the strength of most drapery fiber. Also, fumes from your heating system, cooking and cigarette and cigar smoke, when combined with humidity and oxygen in the air, forms a mild acid that adds to the fabric deterioration. These are depressing facts and there isn't a lot that can be done about them if you have a lot of sun exposure and smoke in your home, but they do recommend a few things to help.

1. Lined drapes resist sun damage and lengthen fiber life. It is worth the extra money when you purchase your drapes to include lining.
2. If it is possible, rotate where your drapery panels hang on the window and if the window sizes are the same, rotate the drapery from one window to the other.
3. Air your drapery between cleaning to loosen dust and smoke which clings to the fabric.
4. Clean them frequently enough to remove grit and grease before it breaks down the fiber.

Carol

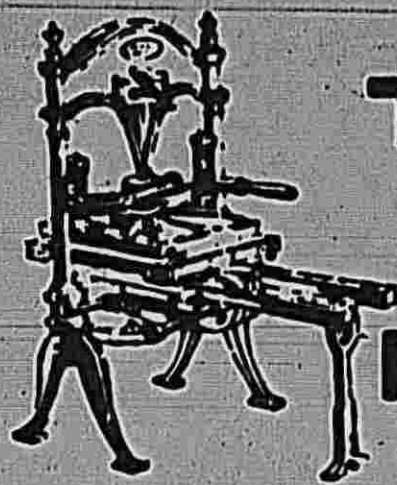

We're Your Independent Community Bank...

Let's look at the word *independent*. It means we're not part of a giant system with far-flung offices. No one tells us what to do, except a local board of directors and local ownership. When we lend money, we lend it *at home*. When we invest, we put our money in *local* bond issues. When we put together a business deal, it's a *local* deal.

Independent is another way of saying "free of outside control"—free to give you personalized service—and we want to keep it that way. We want to do business with you—you're an important part of us.

The Time Machine

70 YEARS AGO, APRIL 16, 1903

Dr. Fred H. Swartz will locate in Antioch in the Isbester house on Lake Street for the practice of dentistry about May 1st.

I have decided to start a milk run in Antioch and anyone wishing pure milk can leave orders at this office or notify W.E. Drom.

50 YEARS AGO, APRIL 19, 1923

Conrad Muschmann purchased for J.J. Morley this week the 2 houses on Depot Street and Buschmann and Vos purchased the vacant property form the Soo tracks on the east to the house occupied by Dan Walsh on the west and from Depot Street to the Sequoit Creek.

John Pacini has just purchased a new Oakland sedan.

Lime Sulphur for spraying your trees. King's Drug Store.

20 YEARS AGO, APRIL 16, 1953

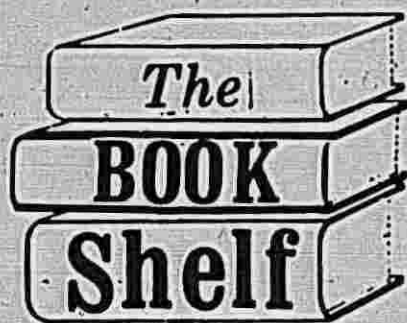

Mrs. Fern Lux was elected secretary of the grade school board. Charles E. Wertz again is president of the board.

Edward P. Canley, Jr. has returned to school after spending the holidays with his parents the Edward P. Cranleys of Loon Lake. Ed Jr. attends St. Bede's academy in Peru, Illinois.

10 YEARS AGO, APRIL 18, 1963

Cornelius Lulofs, defeated the Lake County Chess champion. Cornelius was playing as a member of the Grayslake Chess Team. Lulofs has defeated the Waukegan champion and the Highland Park Champion.

Maurice Loven of Antioch had a hand in the publication of a Biography of Ernest Hemingway. M. Loven grew up with Hemingway in Oak Park and Mr. Carlos Baker, professor of English at Princeton University wrote and asked Loven for reminiscences he might have had with his friendship with Hemingway.

THE WAKE: by Steve Allen. A partly autobiographical novel set in Chicago in the early days of the depression. A large Irish family gathers for the funeral of 86-year-old Ma Scanlon, and it soon becomes apparent what caused the brothers and sisters to leave home years before.

TONIGHT: by Terry Galanoy. An anecdotal history and behind the scenes look at a television phenomenon of our time, the Tonight Show, the people who created it, and the situations which keep it the favorite of the late night audience.

Library hours are from Noon to 9:00 P.M. Come in and use our Study Carrolls, quiet, comfortable cubbyholes to study in.

REMEMBER WHEN

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

Development by Commonwealth Edison Company of twin nuclear generating plants at Zion - emphasizes the need for greatly expanded energy supplies for Northern Illinois. Still, when operating at full capacity, the Zion plants are expected to add only 10 percent to existing supplies of electricity in the area which the company services.

Quite aside from the thermal changes of air and water - and the adverse aesthetic aspects of the huge towers and domes associated with nuclear generating plants - is the question of the adequacy of energy supplies which nuclear generating plants appear capable of producing.

The Environmental Protection Agency has barred additional nuclear energy plants on the shores of Lake Michigan - for the time being - and it would seem unlikely that a series of plants such as those established at Zion would be considered - seriously.

It has been suggested that for the State of California to meet its electrical demands for the next one-half century would require nuclear reactors every two miles along the entire California coastline. Such a series of nuclear plants along the shores of Lake Michigan is, of course, unthinkable.

Accordingly, unless we are to adjust to a substantial reduction in energy use or to resign ourselves to a lower economic standard, other means for generating electricity must be found.

The extensive research being conducted on coal gasification including a project at the

Illinois Institute of Technology, promises to provide a substantial and economical source of energy from our huge Illinois coal supplies - and consistent with sound environmental policies.

Commonwealth Edison in cooperation with the Tennessee Valley Authority (TVA) is, itself, engaged in developing a so-called "fast breeder" process for generating electricity - a process which releases relatively little heat as a by-product while producing electricity from the relatively large supplies of plutonium.

Of course, solar energy produced by converting the rays of the sun into useable electric power - is a relatively pollution-free method of increasing energy needs. However, there is as yet no known practical way of converting the sun's light into energy for our domestic and industrial requirements.

The President is expected soon to outline a national energy policy - which may well refer to all of the alternate sources of power which mod-

ern science is capable of utilizing. The United States Congress is not without responsibility in this area.

BUSES VANDALIZED AGAIN

The school buses at the Antioch Upper Grade school have once again been vandalized. Last week vandals cut fan belts in three of the buses and ignition wires were pulled off. The estimated cost of damage to the school is not known. This is the third time the buses have been vandalized this year.

Along the Way with *Annie Mae*

Summer is just around the corner, when we see those faithful Lions Club members cleaning the pool, after a long winter.

Our condolences to the Runyard family of Channel Lake on the loss of their loved one, Thomas Runyard.

Birthday wishes go to Tom Bodin on the 18th and to Betty Lou Williams, Jean Benes and Phyllis and Phillip Schwartz (the man with the beard) on the 21st. To Don Amundsen go special wishes on the 23rd and Laura Horton and Jenny Schmidt on the 24th and Ester Velcheck on the 25th.

This is a week for anniversaries - on April 23rd wishes go to Mr. and Mrs. Stan Szymanski, Mr. and Mrs. Fritz Wagner, Arlene and Lou Crawford and Betty and Art Meyer. Joan and George Vistain and Nancy and Forrest Stahmer celebrate their anniversaries on the 25th.

Rehearsals for PM & L's "Charlie Brown" are coming along real well and promises to be a delightful evening. Make your reservations early! Phone 395-9702. NOW! Opening night is April 27.

Thursday evening, April 19 is the Annual Spring Choral Concert at the High School under the able direction of Ralph Brooke. Lets fill the auditorium! 8 P.M. at the high school.

Bill and Phyllis Radke were pleasantly surprised recently by their two daughters. Carolyn Radke and Marilyn Trongeau who gave them a

lovely 25th anniversary party at the American Legion Hall. Many out of town guests were present. Heard tell it was "bigger than their wedding!"

Dr. A.T. Sampolinski and wife Joan have returned from an extended trip to Rome and Paris. The doctor, along with other members of his graduating class from the Stritch School of Medicine celebrated their 25th year anniversary as Doctors of Medicine in Rome. While in Rome, Dr. Sampolinski had the infinite pleasure of having Pope Paul VI shake his hand during a private audience.

Final date for Little League registration is this Saturday. All boys 9 thru 12 please step forward!

Congratulations to the local School Board candidates who came out victorious. Much work and dedication is involved - but well worth it!

HAPPY EASTER TO ALL

ANNIE MAE

FAMILIES HERE TO TAKE PART IN NATIONWIDE CENSUS SURVEY ON EMPLOYMENT

The Bureau of the Census will conduct a survey of employment and unemployment in this area during the week of April 16-20, Forrest P. Cawley, Jr., Director of the Bureau's Data Collection Center in Chicago, announced today.

The survey is conducted monthly by the Bureau for the U.S. Department of Labor. A scientifically selected sample of households throughout the entire United States is interviewed. Employment and unemployment statistics based on the results of this survey provide a continuing measure of the economic health of the Nation.

The February survey showed that employment increased markedly while unemployment remained essentially unchanged. Total employment rose by 570,000 to 83.1 million on a seasonally adjusted basis, following a small decline in the previous month. The Nation's unemployment rate was 5.1 percent, about the same as in the previous 3 months but down substantially from the year-ago rate of 5.8 percent.

Facts supplied by individuals participating in the survey are kept strictly confidential by law, and the results are used only to compile statistical totals.

SCOTCH LADS PROVIDE MUSIC FOR COTILLION

All signals are "go" for the Eighth Annual Mental Health Cotillion to be held on May 12th. The East Ballroom at the Ramada Inn in Highwood will be a beautiful setting for this event. Many, many spectacular chandeliers are set off by crushed brown velvet walls, french doors and a luxurious blue carpeted floor. Larry Liefblad and the Scotch Lads are ready and waiting to tune up their instruments on the well located center dance floor. The waiters and waitresses are eagerly preparing to serve a large variety of hot and cold hors d'oeuvres during the 7 o'clock cocktail hour. Immediately following they will serve a complete roast prime rib dinner, wine and a special mouth watering dessert.

Tickets are priced at \$12.50 per person and are available at the Thrift Shop, The State Bank of Antioch, The Antioch Savings and Loan and The First National Bank of Antioch. Table reservations for 8 or 10 can be easily made by calling Caroline Costoff 395-5669 or Irene Hahn at 395-0096. Let's all pick up our tickets, fill our cars with gas and drive an easy thirty minutes for an evening of fine food and good fellowship.

The Antioch Mental Health Association would like to take this opportunity to thank the following friends for making it possible to keep the price of dinner tickets at a minimum and allowing the association to help many charitable causes. Sincere thanks go to: A&B Printing, Ace Hardware, Antioch Lumber and Coal, Applequist Real Estate of Round Lake, Fox Lake and Lake Zurich, the Antioch

FORD MOTOR COMPANY'S 10-POINT PLAN FOR CLEANER AIR

Ford Motor Company is committed to an intensive effort to reduce pollution from its products and manufacturing plants at the earliest possible time. Here are some of the points that the program includes:

1. Strengthen quality-control procedures for anti-pollution devices for vehicles.
2. Accelerate programs to reduce air pollution from manufacturing plants.
3. Accelerate dissemination of pollution-control information to the worldwide Ford facilities.
4. Expand water recycling systems for manufacturing plants, to reduce water pollution.
5. Develop new techniques for disposing of plant waste with minimum pollution.

Social Notes

by: Del Jahneke

At the April 4th meeting of the Lakeside Rebekah Lodge No. 82, held in the Antioch American Legion Home, the Charter was "Draped" in memory of Mrs. Anton Johnson. Eight ladies participated in this solemn and beautiful ceremony - Mrs. Winnie Davidson officiated as the Past Noble Grand, with Mrs. Clarence Larson as Chaplain; Mrs. Arland Clark and Mrs. Leila Flint, flower carriers; Mrs. Floy Horton and Mrs. Walter Buchert, candle carriers; Mrs. Lillian Hand and Mrs. Ralph Fields, "Draped the Charter". After the meetings, they played amusing games, planned by Mrs. Charles Ferris, Noble Grand. "Appointive Officers' Night" will be held at their April 18th meeting, at 8:00 p.m., at the Antioch Legion Home, with the Rebekah members invited from all the lodges in the District Three Association.

The capacity crowd that filled the Antioch Evangelical Free Church at their Mother Daughter Banquet on Friday, April 13th, were thrilled with their delicious dinner and the excellent program held after-

wards. Young, fresh voices raised in songs of praise to God in both a songfest and special music by the AWANA girls opened the program. "Young Women of Bible Time", with the older AWANA girls portraying the roles of Rebecca, Rachel, Ruth, Naomi, etc., was beautifully presented with their costumes both designed and fashioned by Mrs. James McMillen. Particularly poignant was the famous scene between Ruth and Naomi "Entreat me not to leave thee, etc." Mrs. Michael Ditzig gave an outstanding performance as the narrator. Then banquet chairman, Mrs. Alan Mielke, had an "honoring of the mothers" in several different categories. Mrs. Edward Rowley who was the organist that provided lovely soft background music for the evening, had her AWANA girls sing "Special Music by the Sextette". Closing the program, was Mrs. Mary Kay Meeker, with her puppet, George, and they were a most entertaining two-some! Then Mrs. Meeker gave a brief, meaningful talk on each person developing the creative talents within him - that our Creator had endowed everyone with some creativity in some field of endeavor, and it is up to each one of us to discover our talent and to develop it!

LaVerne Woods, president of the First National Bank of Antioch with students from the Antioch Upper Grade Center as they prepare to sell baby spruce trees.

NEW DIRECTOR OF SOIL & WATER CONSERVATION DISTRICT

Mr. John Reindl, R.R. No. 2, Box 301 has been appointed a Director of the Lake County Soil and Water Conservation District. This was announced by Walt Vogl, Chairman of the Board at the April meeting. Mr. Reindl has been a resident of Fremont Township for the past eight years, and owner of Red Coat Kennels, a boarding and training kennel in Mundelein. He had previously served on the Board as an Associate Director.

Mr. Reindl has always been interested in wildlife conservation and the preservation of our natural resources through proper zoning. He is licensed with the State of Illinois, Department of Conservation, as a wild game bird breeder.

In accepting the office, Reindl stated that he was glad to participate in the many activities of the District and felt that his term as Associate Director had been an educational experience. He invited other interested owners or occupiers of land in Lake County to attend the Board meetings or contact the office in Lake Zurich (438-5427 or 438-6319) for information on serving as an Associate Director. The Board meets the 2nd and 4th Mondays of each month, at 7:30 p.m. at the cooperative Extension Office, Route 45, north of route 120, in Grayslake.

OPERATION SPRUCE UP

One thousand baby blue spruce trees were purchased by the First National Bank of Antioch for the science department of the Antioch Upper Grade School. The students sold the trees for \$1.00 each in the lobby of the bank on Friday and Saturday and to their neighbors and friends. They were selling the trees to earn money to purchase larger trees and shrubs for the construction of an Environmental Center at the school.

The Environmental Center will be constructed by the students. They will do all the ground preparations and planting themselves.

So far \$400 has been turned into the school with the rest of the money yet to come. The students enthusiasm was equally matched by that of the community. There are still a few trees left so get in touch with one of the students for your tree.

Students from the Antioch Upper Grade School putting seals on baby spruce trees in the Community Room at the First National Bank of Antioch.

HOME BUILDERS OF LAKE COUNTY MEET

The Home Builders Association of Lake County, at the invitation of the Lake County Contractors Association, will join them for a combined general membership meeting of both groups on Thursday, April 26, according to Jim Sayers of Lake Barrington Associates, president of the Home Builders group.

Setting for the meeting will be the London House in the Holiday Inn in Highland Park. A cocktail hour at 6:30 p.m. will precede dinner at 7:30 p.m.

Topic for this special meeting will be "Contracts and Business Law" to be discussed by Kenneth Glick, Lake County attorney.

Reservations for the meeting may be made through the Lake County Contractors office in Waukegan - phone 623-2345. Tickets are seven dollars.

American Legion Auxiliary

"As the month of May, and Memorial Day especially, approaches, our thoughts should be with those women who have suffered the supreme sacrifice of losing a loved one during any of the past four wars - our gold star mothers, widows, daughters and sisters" states Mrs. John Workun, Lake Regions' Unit of Fox Lake district gold star chairman. "Our gold star members should always be remembered and honored throughout the year, on Veteran's Day, Thanksgiving, Christmas time, Easter, their birthdays, etc. But special tribute should be accorded them in May, Gold Star Month of the American Legion Auxiliary, and on Memorial Day, the day the entire nation honors their war dead. In any Memorial Day program, these brave women should always be given a place of honor."

Gold star members have a gold star on their American Legion Auxiliary pin to distinguish them from the regular members who wear a blue star pin.

Nearly all Units in the 10th District Auxiliary pay homage to their gold star members in a variety of ways - corsages and gifts on those special occasions; luncheons and parties planned and programmed in their honor; and remembering them and honoring them on all patriotic observances." Mrs. Workun continues, "When a gold star member dies, here are some suggestions as memorial tributes - books given to public libraries; a donation in her name to the American Legion Child Welfare Foundation; trees or shrubs planted in her memory."

Every year, at the convention of the Illinois American Legion Auxiliary, one of the loveliest affairs is held, the Gold Star Party Luncheon, which is restricted to gold star members and gold star chairmen on the unit, district, division and state levels.

According to Mrs. Thomas Watters of Grayslake, district music chairman, 10th District Auxiliary; there will be choral competition for the Junior members only, which will be held at their Department Junior Conference, on May 20th, at the auditorium of University High School in Normal, Illinois. At the Auxiliary's state convention in July at the Pick Congress Hotel in Chicago, there will be state competition with both junior and senior quartettes, and senior choral ensembles. The exact time and place has not yet been designated.

Mrs. Watters suggests that in addition to the opening ritual with the national anthem, and the closing song of "America"; that unit members would enjoy singing the "Hym of the Month", and occasionally holding songfests to "sparkle the meetings with songs".

Mrs. Lester Zitkus is music chairman of the Antioch American Legion Auxiliary No. 748, and provides the appropriate music for the meetings and on other occasions. Mrs. Earl Horton, gold star chairman, is planning a pleasant party in May to honor Antioch Unit's gold star members. Each honored guest receives a gift from the Unit.

On Memorial Day, the gold star mothers ride in a special car, receive corsages and sit on the platform with the other dignitaries. Either a VFW or Legion Auxiliary gold star mother participates in the solemn "Laying of the Wreath".

Robert Bemis, Chairman of the Antioch Planning Commission, received the following letter this week. It was sent from the Lake County Regional Planning Commission on April 11th to re-assure the Village of Antioch that their comprehensive plans will be completed on the newly revised schedule.

Dear Mr. Bemis:

I am in receipt of your letter to Tom Houle of 30 March 1973, and I want to assure you that all possible efforts are being

The Honorable John A. Love, Governor of Colorado, will be the featured speaker at the 12th annual dinner meeting of the Waukegan Young Republicans to be held April 19 at the Sheraton Waukegan Motor Inn.

This will be Governor Love's second visit to Lake County as a featured speaker. Several years ago, Governor Love spoke at a Federation dinner.

Stephen Ames, chairman of the event, noted that the "Young Republicans are again

fortunate to have such an influential G.O.P. leader as our speaker. Governor Love will join a long list of G.O.P. leaders who have honored the Young Republicans as their speaker. Previous speakers include the late U.S. Senator Everett M. Dirksen, Mrs. Shirley Temple Black, U.S. Representative Donald Rumsfel, Republican - Evanston, and last years speaker, Senator Barry M. Goldwater.

A capacity crowd of 430 is

expected to be on hand to welcome Governor Love at the dinner. The evening will include cocktails at 6:30 p.m., dinner at 7:30 p.m., and the address by Governor Love. Tickets for the \$10-a-plate dinner must be obtained in advance. Tickets may be obtained by mailing a check to William Newyear at 1735 Sunset Avenue in Waukegan. Several local and state officials in the Republican party will be in attendance, promising to make this one of the best dinners in the history of the organization.

A WORD FROM THE PLANNING COMMISSION

made to complete the work scheduled for completion by April 26th. Currently there are three staff members assigned to this project, and in the final week it may be possible to obtain additional staff assistance, as the primary effort on the County's Comprehensive Plan is due to be completed by then.

The Community Assistance Program is an important part of the Regional Planning Commission's work and we are committed to the need to complete the Comprehensive

Planning Program for Antioch. I regret there has been a delay in getting this project completed. The delay has largely been as a result of our concerted efforts in completing the county's Comprehensive Planning Program, which will aid us in providing better and more comprehensive services to you and other municipalities in the County.

If I may be of further assistance, please call me.

Sincerely,
Lowell Wirth
Acting Director

SHOWERS A HAZARD

Spring showers can present hazards to motorists who are caught with "Weary wipers," warns the Chicago Motor Club-AAA.

Spring rains often are heavy, making it vital that the motorist keep his auto's wipers in proper working condition after a hard winter.

THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY.

Set your clothes washer and dryer for savings.

Using the correct settings on your automatic washer and dryer can cut your laundering costs. On both your washer and dryer, adjust the setting for each type of item. Less hot water in your washer and a lower temperature in your dryer means less energy is consumed. For example, a permanent press item can be washed in warm water and dried on a warm setting. Higher settings waste energy and often do an inferior job.

Also, you may be able to regulate the operating time on your washer or dryer to save energy. On your washer, partial-load settings use a shorter cycle to clean smaller loads. A "damp dry" setting on your dryer not only reduces the energy used but also prepares the clothes for

immediate ironing without sprinkling—cutting down on your laundry time, too. These hints are included in our free booklet "101 Ways to Conserve Electricity at Home." For your free copy, write Commonwealth Edison, Department AV, P.O. Box 767, Chicago, Illinois 60690.

Commonwealth Edison
concern for your total environment.

ACHS SPRING CHORAL CONCERT

Antioch Community High School presents its Spring Choral Concert on Thursday, April 19 at 8:00 p.m. in the high school auditorium.

Featured in the concert are all the vocal groups in the music department under the direction of Mr. Ralph Brooke. The following program has been selected:

FRESHMAN GIRL'S CHORUS
Guadeamus Hodie (Let Us Rejoice Today) - Natalie Sleeth; To Spring - Johann S. Bach; Spread Joy - Arr. Philip Gordon, Natalie Sleeth.

A-CAPELLA CHOIR
Roots and Leaves - Ralph E. Williams; Lacrymosa - Wolfgang A. Mozart (No. 7 from "Requiem"); Day by Day - Stephen Schwartz, Arr. Lou Hayward.

VOCAL SOLO- CAROL WELLS
He Shall Feed His Flock - George F. Handel.

GENTLEMEN SONGSTERS
Climbin' Up The Mountain - Henry Smith.

A-CAPELLA CHOIR Coffee

Grows on White Oak Trees - Jack Boyd (American Folk Song); O Divine Redeemer - Charles Gounod, (Soloists Jean Oelerich and Sue Ball); I Hear A Voice A-Prayin' - Houston Bright.

VOCAL SOLO- SUE BALL
Black Swan - Carlos Monetti

SWING CHOIR Matchmaker
Jerry Bock, Arr. Norman Leyden; Sunrise, Sunset - Jerry Bock, Arr. Norman Leyden

A-CAPELLA CHOIR I Will Not Leave You Comfortless
Francis Snow; Elijah Rock - Jester Hairston; The Lord Bless You and Keep You - Peter Lutkin.

MISS MUFFET 'HAD THE RIGHT IDEA

LUCY THE BOSS IN NEW PM&L PLAY

"Little Miss Muffet was a pretty smart cookie. She'd come along way before it was even fashionable. She knew that cottage cheese was a low-priced, low-calorie and high protein food that's perfect for extending any casserole. On this particular day she decided to put her curds and whey into a Centsable Casserole called Franks N' Noodles. It featured cottage-cheese, economical egg noodles and franks and an especially zesty Creole sauce. When that spider came along and sat down beside her tuffet, it really didn't frighten her - after all she was a modern woman - she was just going back for seconds."

Frank N' Noodles is just one of the recipes in "Centsable Casseroles - A Mother Goose Cookbook With A Money Moral" that is available free from the American Dairy Association. In fact any one of the following recipe pamphlets are yours free by sending a self-addressed stamped envelope to the American Dairy Association 6300 North River Road, Rosemont, Illinois. The pamphlets available are: Candlelight Creations, Recipes Made Better with Butter, Backyard Favorites with Dairy Flair, Absolutely Elegant Anti-panic Pantry Meals, Accountable Calories, Cheese, Milk, Tailgate Top Deck Picnics, Slenergize with Dairy Foods!, Quick Fancies for the Holidays, Plan A Pan Meals, One Pan Budget Meals, New Twist to Old New England Recipes, Make It With Milk, How to Fondue, Fashion Dairy Delights, Happy Holidays with Butter Cookies, Chafertaining, Versatile Cheese, Which CheeseWich, and of course Centsable Casseroles.

Happiness is being pushed around by bossy Queen Lucy. She and the other comic-strip characters of "You're a Good Man, Charlie Brown" are about ready to move into the PM&L Theatre, 877 Main Street, Antioch, Illinois. The queen will hold court there April 27 and 28, and May 4, 5, 11, and 12. Curtain time on all of these play dates is 8:30 p.m.

In addition to Lucy, played by Paula Scardino of Round Lake, the other members of the cast are Charlie Brown himself, portrayed by Bill Sershon of Antioch; Snoopy, the notoriously deadly World War I flying ace, enacted by Ed Grimes of Antioch; Linus, played by Bill Beese, Antioch; the keyboard genius Schroeder, John Cadwell, Duck Lake, Ingleside; and Peppermint Patti, played by Barbara Tyska of McHenry.

Don Beveroth is directing this musical production. The courtly music is provided by an unusual combo composed of Tracy Teltz, piano; Tanya Millsop, xylophone, celeste, and bells; and David Rush, cymbals, timpani, drums and other things you hit when you are mad.

Paul Scardino remembers when she really wanted to be crabby and bossy like Lucy. This heroine of the comic strips sees everything, hears everything, knows everything, and tells everything. But most of all, when she grows up she plans to be the biggest queen there ever was, in charge of her own queendom. Some have

Lucy (Paul Scardino) has another goal: to catch the interest of piano-playing Schroeder (John Cadwell). (Staff Photo)

pointed out that it is necessary to be born into queenship, but Lucy is pretty sure that there are loopholes through which bossy girls can get to be queens democratically. It seems obvious that if there are loopholes Lucy will find them. Meanwhile you had better come see her, as crabby queens have a bad habit of

remembering who didn't come while they were still on their way up.

General admission is \$3.00 for adults and \$1.50 for students. Seating is limited, so you should be sure to call the royal telephone number, 395-9702, for your reservations. Remember - a placated queen is a safe queen.

BOWLING PARTY FOR NEWCOMERS

The Antioch Welcome Wagon Newcomers' Club will hold a bowling party on Saturday evening, April 28 at 8:30 p.m. at the Antioch Bowl on Rte 173. This will be Scotch Doubles for either husband and wife teams or two women or two men. The price for bowling, buffet and one drink is \$4.50. Reservations must be in by April 25. Please call Nancy Mancuso at 395-6571.

Arts and Crafts will now have open Workshops - so bring along your supplies for your own project that you're working on for the Art Fair. A Workshop will be held Wednesday, May 2. Time and place announced later.

Please notice: Our next monthly meeting will be held on Thursday, May 3 instead of May 2. This will be for our May meeting only. Please note the change on your calendar. The time and place remain the same.

BATON TWIRLING & CHEERLEADING CLINIC AT LAKE FOREST COLLEGE

August 6th - 10th are the dates set for the 12th Annual Baton Twirling and Cheerleading Clinic which will again be held on the Lake Forest College campus at Lake Forest, Illinois. The clinic is conducted by Mary Evelyn Thurman, Internationally known clinic director, teacher and judge and a professional trained teaching staff.

The clinic is open to students of all ages from the beginner to

the advance. Complete courses in baton twirling, majorette work, drum majoring, hand directing, precision drill, color guard, rifle spinning, flag swinging, cheerleading and pom pon dance routines will be taught. These clinics are conducted on 14 different college campuses in the summer.

For further information write to: All Star Twirling and Cheerleading Clinics, Box 45, Prospect Heights, Illinois 60070.

SOCIETY
n; pl. TIES. (L. societas fr. socius a companion; cf. F. SOCIETE. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

ANTIOCH CONGREGATIONS WORSHIP TOGETHER

The music of John Stainer's "The Crucifixion", presenting Christ's Passion will set the tone of worship for the congregations of Antioch Methodist and St. Stephen Lutheran churches as they worship together on Good Friday at 7:30 p.m. at the Lutheran church on the hill just south of

Rte 173 on Rte 59 in Antioch. The public is invited.

Mr. Kenneth Smouse will conduct the oratorio which will be sung by a combined choir from the co-operating churches. As the service progresses through the Seven Last Words of Christ from the Cross, the Sanctuary will be gradually darkened giving the worshippers a greater sense of the sacrifice made on that first Good Friday. No admission charge will be made but those desiring may leave an offering with the ushers when the service is concluded.

OAKWOOD KNOLLS SPRING DANCE

The Oakwood Knolls Property Owners Association will hold their Annual Spring Dance on Saturday, April 28, 1973 from 9:00 p.m. to 1:00 a.m. at the American Legion Hall in Antioch.

A buffet dinner is being planned and music will be provided by "The Indecisions". Donation is \$2.00. There will be door prizes and a raffle through the courtesy of the merchants of Antioch. For tickets or information call Pat Czapiewski at 395-6450.

NEEDLEWORK 73

The North Suburban Embroiders Guild will hold an exhibition of needlepoint, surface stitchery and mixed media on May 9 from 10:00 a.m. to 5:00 p.m.; May 10 from 10:00 a.m. to 9:00 p.m.; and May 11 from 10:00 a.m. to 7:00 p.m. at Colby's Home Furnishings, 1001 Skokie Blvd, Northbrook, Illinois. It will be open to the public. Donation is \$1.00.

Mrs. Helen Olson from Antioch will be exhibiting a sampler in the show.

GARDEN CLUB HOLDS LUNCHEON

The Antioch Garden Club will hold their annual Spring Luncheon Monday, April 23, 12:30 p.m. at the Brae Lock Country Club, Route 45.

There will be an installation of officers. Mrs. Victor Nelson, President, Mrs. Frances Wells 1st Vice President, Mrs. Dolly Spiering 2nd Vice President, Mrs. Albert Schultz Secretary, and Mrs. Frances Wells Treasurer. Mrs. Kay Christophersen will be installing officers.

HAMMOND ORGAN SOCIETY MEETING

The Lake County Chapter of the Hammond Organ Society will meet April 25th, 7:30, at Parrin Hall, in the Waukegan Public Library.

Teachers presenting students for the evening will be: Mrs. Sedakar who will present Susan Ordorizzi, Lori Schimming and Barbara Kauciek. Mrs. Alene Simnich will present, Georgine Hella, Debby Westerman and Amy McGarrigle. Mrs. Cline will present Danny Skinner and Lisa Hayes and Mrs. Carmel Francke will present, Joyce painter, Susie Worth, Kim Johnson and Donna Lusch.

Refreshments will be served and the Public is invited to attend.

HOLLETT- KOCLOSKEY ENGAGEMENT TOLD

Mr. and Mrs. Charles Hollett of Lake Catherine announce the engagement of their daughter, Claudia Mary, to James Koclosky, son of the Howard Kocloskys of White Fish Bay, Wisc.

The bride is a junior at Marquette University in Milwaukee and a graduate of Carmel High School in Mundelein. The groom is a professional air controller.

NOTICE

Next Saturday, April 22, is the final day for signing up for Little League.

CLC JAZZ ENSEMBLE COMPETES IN FESTIVAL

The College of Lake County Jazz Ensemble, under the direction of Charles Banks, will compete in the second annual junior college jazz festival at Governors State University May 4-5.

Semifinalists competition will be Friday, May 4, from 8 to 11:30 p.m. and Saturday, May 5, from 1 to 5 p.m. Finalists, competition will be May 5 from 8 p.m. to completion.

Awards will be for best big band, best small group, best section leader, best arranger-composer, and best soloist.

Talent scholarships to GSU will be for best section leader,

best arranger-composer, and best soloist.

Judges will be Robert Bruce Early, Aquinas College, Grand Rapids, Michigan; Bunky Green, director, jazz band, Chicago State University; Edward L. Smith, director, jazz band, University of Michigan, and Charles Suber, publisher, Down Beat magazine.

Dr. Warrick L. Carter, university professor of music in the GSU College of Cultural Studies, is director of the festival.

Members of the Jazz Ensemble are Al Bednar, Dawn Ellis, Bill Gable, Lee Gagnebin, Jerry Smouse, Ron Tuminello, and Hank Weber.

ILLINOIS BOND SALES HIGHEST IN 14 YEARS

Lake County residents purchased a total of \$9,279,319 in Series E and H United States Savings Bonds in 1972, according to Richard F. Kennedy, Waukegan, Illinois and Richard D. Newland, Waukegan, Illinois volunteer county chairmen of

the savings bonds committee.

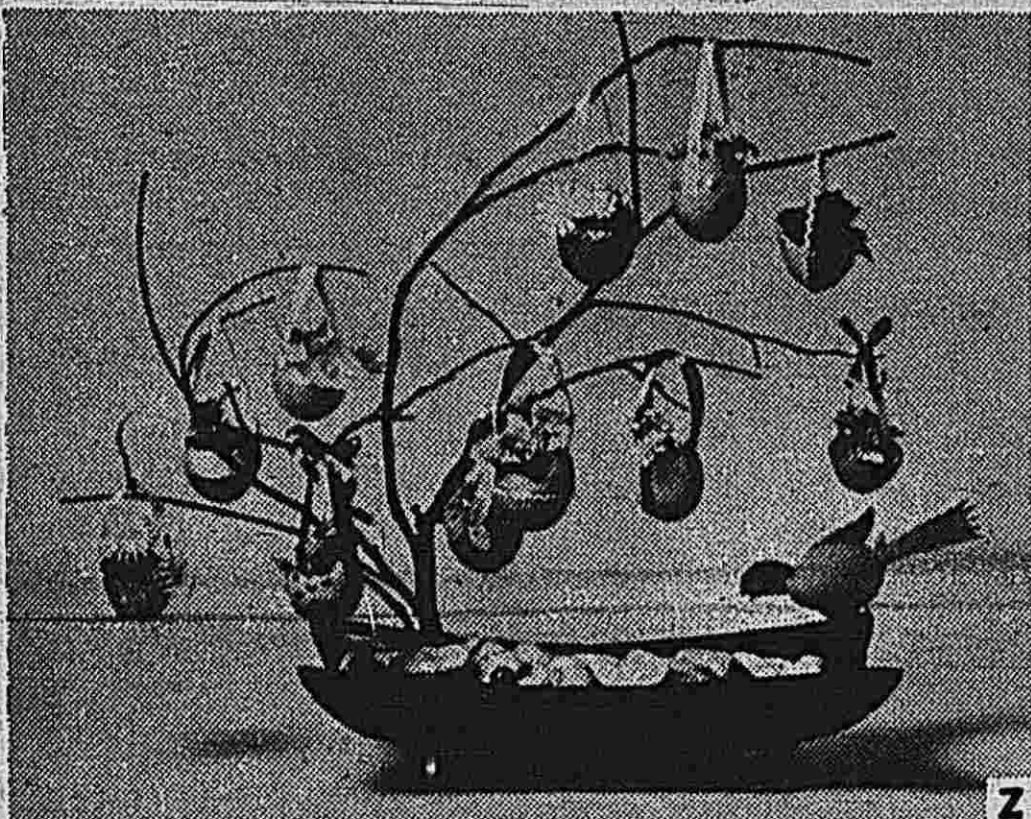

Illinois sales were up 14 percent for a total of \$411,113,436 according to Clarence S. Sochowski, North Central Regional Director of the Treasury's Savings Bonds Division - the highest since 1958.

Purchases in Illinois accounted for 6.6 percent of the national total of \$6,236,000,000 and 117.1 percent of the state's 1972 quota of \$351,100,000.

As of the end of December 1972, the amount of savings bonds outstanding was \$58.1 billion - an all-time record.

EGGSTRAVAGANZA!

NEW YORK (ED)—Need a pretty centerpiece for your Easter table? An Easter Egg Tree is an easy-to-make table brightener. The Tree tradition was first started by the Pennsylvania Dutch, who displayed their prettiest eggs for Paas Day, their word for Easter.

A FAMILY AFFAIR. Eggshells, rickrack, flowers and ribbon—that's what makes a memorable Easter centerpiece. And if you use cold-water dyes, the children can be egg-coloring artists.

All you need is a sturdy little branch from a tree or shrub... florist's or modeling clay... a pretty bowl... brightly colored eggshell baskets... an eggshell bluebird... and some colorful rocks and pebbles. Here's how:

Rinse half eggshells (left-over from breakfast or baking) and let dry. To make the egg baskets, dye shells a variety of spring colors. For the bluebird, dye a hard-cooked or blown eggshell a pretty blue. For deeper color, try adding one more tablespoon of vinegar than called for in the directions of your favorite dye kit. Let the children try it! PAAS Easter

Egg Coloring Kits feature cold water fizz tablets—no boiling water to burn little fingers.

When your half-shells are completely dry, glue with sewing-basket decorations, leaving a loop at the top to hang baskets on the branch. Slice off the bottom of a gumdrop, and insert tiny artificial or real flowers inside. Secure the sticky side to the eggshell bottom. (No gumdrops? Use modeling clay, and substitute fresh flowers if available. Just add a little water to the basket to keep real blooms from wilting.)

For the bluebird, draw wings, tail and head on construction

paper... cut them out and glue to the egg. Use a pipe cleaner for feet and legs, and glue to shell base.

To complete, secure branch in bowl or vase, using modeling clay. Surround your creation with colorful rocks and pebbles. Hang baskets at spaced intervals on branches and nestle bluebird near the edge of the bowl. Have a happy Paas Day!

ANOTHER VARIATION OF THE EASTER EGG TREE is this easy-to-make centerpiece using blown eggs, a styrofoam cone and artificial greenery. For blown eggshells, pierce both ends of the egg with a sharp-pointed ice pick or skewer and shake or blow the contents of the egg into a bowl. Rinse the eggshell with cold water and let dry completely. Then glue the eggs to the styrofoam cone and fill in with greenery.

BITS AND PIECES

By: Taffy Engelhardt

With prom coming soon, many plans are being made. The theme this year is "Dancing in the Moonlight" and it will be held on May 5th. Congratulations to this year's prom court members. They are: Steve Albright, Mark Andrews, Mike Gutowski, Gayle Manuel, Jim White, Marcia Doolittle, Shelley Grunewald, Karene Hart, Kathy Mahoney and Kim Schillinger. King and Queen are not announced until prom evening at coronation. Everyone is invited to coronation to watch the crowing of the King and Queen. It is held at 11:00 p.m. on May 5th.

National Business Honor Society had its annual installation of members on April 5th. It was a well-planned ceremony conducted by the business education faculty members and the officers of NBHS. The members for 1972-73 are: ACTIVE—Pat Geiger, Janice Gerber, Diane Gramer, Diane Lubkeman, and Connie Wiczorek. PROBATIONARY: Toni Bechtol, Diane Dusek, Taffy Engelhardt, Glenda Hurt, Marcia Kroepelin, Robin Lindblad, Cathy Wysoglad, Dave Parkef, Pam Burkick, Barb Dodd, Kath Morenz, Barb Olson, Sue Rigby, Kathy Toff, and Tome Robinson. Congratulations to them all.

There were two banquets last week. The Student Council Banquet was on Tuesday evening and was held at the Swedish Manor in Waukegan. It was an elegant dinner. Reports were given by Kim Schillinger and Gary Thompson. Of course, our Master of Ceremonies was President Glen Amundsen. We were happy to hear from our sponsor Mr. Monke and our former sponsor Mr. Brown. He even got good night kisses (which he requested) from the ladies present. We all agreed that it was an excellent banquet and our year of accomplishments in Student Council was even better.

The D.O. Banquet was on Thursday evening. The em-

ployers were guests with their student employees. The entertainment was by Jean Oele-rich, Mark Crawford, Dean Vendl and Taffy Engelhardt. Georjanne Bury was ill and unable to perform. It was a very different banquet enjoyed by all involved.

Congratulations to next year's G.A.A. Officers. President: Laura Kessler; Vice President: Barb Dodd; Treasurer: Richelle Radke; Secretary: Linda Kasek; Secretary: Terry Schleusner; Sports Manager: Julie Ellis and All Star Captain was Marcia Doolittle. The Donna Costoff Sportsmanship award was given to Carol Wells, Sally Brown Award to Sue Bartlett.

Let's see alot of people at the concert this Thursday evening. Remember, it is the last one and it should be one of the best.

Congratulations to the new colorguard members for next year. They are: Nancy Barr, Ellen Bolt, Kim Fischer, Robin Hunley, Kerry Knutsen, Debbie La Fata, and Kathy Schillinger.

Next week is Student Council week. We hope to see alot of participation and competition.

Cheerleading tryouts for next year's football season will be this coming Thursday. Tryout procedures are going to be different this year than it has been in the past. Before, the squad for football would automatically cheer for basketball and there was a separate squad for wrestling. Now, for the first time, all three will be separate. If you would like to cheer for two seasons, you must try twice. The only thing you can't do is be a basketball cheerleader and wrestling cheerleader at the same time.

"A" CLUB MEETS TO PURCHASE NEEDED EQUIPMENT

Thursday, April 12, the ACHS "A" Club met to consider tentative purchase of needed athletic equipment. The meeting was called to order at 7:30 p.m. and adjourned at 8:20 p.m.

A financial report was given by Secretary-Treasurer Keith Larsen indicating a balance of approximately \$1800. This sum includes profits made from the recent donkey basketball game and concessions from football and basketball.

These items were among those tentatively approved for purchase: one taping table, one medicine chest, medical supplies, \$150 worth of inn, 20 football helmets and wrestling record boards. Varsity athletic

since the two seasons are overlapping one another.

My apologies to Miss Arendt for my bad wording in last week's article. I had meant to give her a compliment but it came out wrong and ended up as an insult! She really did look nice at the banquet—even better than usual. How's that!

THEY'RE READY AND WAITING

Any time the weather permits them, the Antioch High School baseball team with its weaknesses and strengths combined is an overall average team.

Only three regulars returned from last year's squad. They are: second baseman, Tim Mieuire; pitcher-outfielder, Fred Popp; and pitcher, Glen Amundsen. The nucleus of the team will be built around these three players, and the main building block happens to be Tim Mieuire due to the fact that he's been on the varsity squad for three seasons now. In his first two, he played well enough to be recognized as the Northwest Suburban's all conference second baseman.

Coach Seemann is also counting heavily on Juniors Mike Gutowski, a left-handed pitcher, and speedy Ed Wietz, who will strengthen the outfield considerably as well as pep up the top of the batting order with his steady bat. The catching will be handled by Steve Vazquez, a right-hander who has the arm of a cannon and a bat to match.

If everything falls in place and breaks happen for the best, a bright season is ahead...if and when the weather gets nice enough to PLAY BALL!

Glen Amundsen

WHAT IS SPRING

Spring is...
scraping together enough money for prom
the last 2½ months of high school for seniors,
the end of insults between basketball players and wrestlers,
the renewal of insults between baseball players and track men,
when young peoples' fancies turn from thoughts of books,
a baseball season due to start on April 9 that actually begins a week later,
locking up the snowmobiles until November (or, with a little luck, October),
wet.

John Rooker

STUDENT COUNCIL WEEK—APRIL 16-19

Student Council Week, an annual event at ACHS began Monday, April 16. During this week the purpose and achievements of Student Council are highlighted.

Because of the shortened week for Easter vacation, campaigning was held on Monday and Tuesday, April 16 and 17. Candidates for office were permitted to place posters on any non-plastered surface and to make campaign literature available to the student body.

Wednesday, April 18, will feature speeches by all the

candidates. Fifth hour will be dropped to facilitate an hour long assembly. The first half will be spent on candidates for Student Council office. The second half classes will be meeting individually to hear class officers and Student Council representatives.

On Thursday elections will be held 4th hour in both the commons and the cafeteria. After voting, a non-partisan group of students will count the votes. Results will not be known until after 3 p.m. Thursday.

Sandi Stewart

CARMEL HIGH HONOR ROLL

JOHN TERESI CHEVROLET & OLDSMOBILE, INC. ANTIOCH, ILLINOIS 312-395-3600

(Week of April 20-26)

ARIES (March 21-April 20): A touch of restlessness could lead to travel during the coming week. An idea or contact with a friend may be the key to a promotion or new job opportunity. Best days: Friday, Thursday.

TAURUS (April 21-May 20): Solar signs point to a period of happiness just ahead. Financial matters may occupy your mind. Best to exercise caution with budget. All is quiet on the romantic scene. Best days: Friday, Sunday.

GEMINI (May 21-June 21): A cooperative attitude will gain you the support and best wishes of co-workers, superiors. Not an auspicious period for financial dealings or romantic involvement. Wait for better days ahead. Best day: Monday.

CANCER (June 22-July 21): Financial gain is possible, perhaps through a raise or refund. Excellent period for shopping for spring or summer wardrobe items. A happier frame of mind this week bodes well for romance. Best days: Tuesday, Thursday.

LEO (July 22 - Aug. 22): Influential people known to you may involve you in civic, church endeavors. Be alert to any opportunity to demonstrate your talents. Your creative energies are at a peak. Best days: Sunday, Wednesday.

VIRGO (Aug. 23-Sept. 22): A good weekend to spend with family, friends. You may want to complete some household improvements to enhance the value of your home or real estate. Social activities offer opportunity to widen circle of friends. Best days: Friday, Monday.

LIBRA (Sept. 23-Oct. 22): Friendship and excitement highlight your solar chart in the days ahead. An old acquaintance could introduce you to someone who will become important in your life. Watch grooming to impress associates with your sense of style. Best days: Friday, Thursday.

SCORPIO (Oct. 23-Nov. 22): Plans you have been thinking about come nearer to reality if you use your imagination. A good period for financial dealings to improve your income. Family affairs should be pleasant. Best days: Sunday, Thursday.

SAGITTARIUS (Nov. 23-Dec. 21): Weekend favorable for social activities. You can reach a better understanding with spouse or mate. Work may require more concentration but it can also lead to rewards. Best days: Friday, Sunday.

CAPRICORN (Dec. 22-Jan. 20): Moon in your sign points toward energetic efforts to achieve recognition you've long desired. An unexpected stroke of financial luck could be the key. A good weekend for entertaining friends, relatives. Best days: Saturday, Wednesday.

AQUARIUS (Jan. 21-Feb. 18): Avoid definite action on important decisions. New information could make you change your mind. Excellent period for travel, romantic attachments. Financial aspects are favorable. Best days: Monday, Wednesday.

PISCES (Feb. 19-March 20): Be generous with your time and attention. Special consideration toward relatives or friends will promote a more harmonious relationship. Do not divide your concentration among too many projects. Best days: Saturday, Tuesday.

BARBARA POLSGROVE INITIATED INTO ALPHA LAMBDA DELTA

Barbara Polsgrove, daughter of Mr. and Mrs. R. Wayne Polsgrove of 1525 Ravine Drive, Lake Villa, has been initiated into Alpha Lambda Delta, a national honorary society at Illinois Wesleyan University recently. Members must have had a

3.5 grade-point average during either semester of their freshman year. Students may be inducted during their freshman or sophomore years.

Miss Polsgrove is a freshman sociology major. She is a 1972 graduate of Antioch Community High School.

GRADUATE FROM ILLINOIS STATE UNIVERSITY— —FIRST SEMESTER

A total of 697 Illinois State University students completed requirements for the bachelor's degree at the end of the first semester January 27.

This group, along with candidates for graduation in June and August, will be recognized at the June commencement on the Illinois

State campus.

Candidates for bachelor's degrees are:

Kristyn Borchardt Murphy, 685 Lake Street, Antioch, Illinois - Bachelor of Science in accounting and Jane Bicek, Route 2, Lake Villa, Illinois - Bachelor of Arts in sociology anthropology.

ART CONTEST OPEN TO HIGH SCHOOL STUDENTS

Competition will open April 16 in all Illinois high schools to design the state's official American Revolution Bi-Centennial medallion.

Scholarships amounting to \$2,500 will be awarded to winning student artists, announced Andrew McNally III, chairman of the Illinois Bi-Centennial Commission which is sponsoring the contest.

Illinois residents in grades nine through 12 are eligible. Entry blanks are being mailed this week to every high school principal in the state, McNally said. All entries must be submitted to the principal or his delegate by May 14.

McNally said only the top

three designs from each school will be entered in the statewide contest.

This year's contest is the first of four to be conducted each year through 1976 among all Illinois public, private and parochial high schools.

The winning entry in each statewide contest will be featured on Illinois' official Bi-Centennial medallion for that year. The winning artist will receive a \$1,500 scholarship grant. Scholarships of \$750 and \$250 will go to the second and third place runners-up respectively.

Winners will be announced this summer. Lincoln Mint, of Chicago, will produce the medallion for public sale.

Associated Music of Antioch, which is owned and will be operated by Sam Glionna will carry all the major lines of Guitars, organs, pianos, amplifiers, and drums. They will also be offering music lessons, not to mention a large stock of records and tapes. (Staff Photo)

ASSOCIATED MUSIC OF ANTIOCH

A new shop opened up in Antioch on Sunday, April 15th. Located at 391 Lake Street, it is called "Associated Music of Antioch". It will house all of the major lines of guitars, drums, amplifiers, organs, and pianos. Not to mention rows and rows of sheet music, records and tapes.

Mr. Sam Glionna is the owner of the shop and he mentioned that they will be offering music lessons of all kinds as well as a repair and rental service. During the two weeks of their Grand Opening, they will be giving away five free guitars in a drawing.

DANIEL C. BRINK

Navy Airman Daniel C. Brink, son of Mr. and Mrs. Reuben H. Brink of Lindenwood, Illinois, has completed the Aviation Structural Mechanic School in Millington, Tennessee.

Aviation Structural Mechanics maintain hydraulic systems, fuselages and wings aboard naval aircraft.

MARTHA BOOTH NAMED TO DEAN'S LIST

Martha Booth (Mrs. David H.) 1224 Main Street, Antioch, Illinois, has been named to the Dean's List for high academic achievement at Barat College during the first semester, 1972-73.

Mrs. Booth is a junior at the college. Barat is a liberal arts college for women located 30 miles north of Chicago.

Sam Glionna looks over the many scores of sheet music, which can be found at the "Associated Music of Antioch" at 391 Lake Street. (Staff Photo)

7:00 a.m.-WJJD-f.m.

THE TRUTH THAT HEALS

Christian Science Churches

In the Bible we read of Jesus' healings, and in St. John 10 he said, "I and my Father are one." This is brought out this week in the Lesson-Sermon entitled "Doctrine of Atonement" and will be read at Christian Science church services Sunday.

From Science and Health with Key to the Scriptures by Mary Baker Eddy we read "As a drop of water is one with the ocean, a ray of light one with the sun, even so God and man, Father and son, are one in being".

Services at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois begin at 11 a.m. All are welcome.

Obituaries

MR. PAUL E. ALSHOUSE - 70 years old of 493 Lake Street, Antioch, Illinois passed away on Thursday April 12 at Victory Memorial Hospital, in Waukegan, Illinois. He was born January 19, 1903 in Walnut, Illinois and had resided in Iroquois, South Dakota and Oelwein, Iowa before moving to Antioch in 1937. He had worked as a truck driver for the Antioch Lumber and Coal Co from 1944 to 1972, and had been a farmer previously. He married Pearl Lucas on April 18, 1937 at Lake Villa, Illinois. He was preceded in death by 1 brother, Charles Alshouse.

Survivors are his wife Pearl - 4 sons - Wayne, James, Kenneth and John Alshouse, 2 daughters - Mrs. Barbara (Ralph) Briggs and Mrs. Darlene (Dennis) Dretski. Four brothers, 1 sister and 14 grandchildren.

Funeral services were held on Monday at 10:30 a.m. at the Strang Funeral Home in Antioch. Rev. L.H. Messersmith of the Millburn Congregational Church officiated. Interment was in Millburn Cemetery.

MR. FREDERICK S. BRAWLEY, 73 years old of Trevor Wisconsin, passed away Saturday, April 14 at his home in Sunset Oak Subdivision. He was born Feb. 26, 1900 in Camp Douglas, Wisconsin and had resided in Madison Wisconsin and Grayslake Illinois before moving to Trevor in 1964. He is a member of Holy Name of Jesus Church at Wilmet, and an honorary member of the Signalmens Union. He had worked 45 years as a signal foreman for the Milwaukee Railroad and retired in 1966. He married Helen Galvin on Feb. 22, 1924 in Necedah, Wisc.

Survivors are his wife Helen, 1 son, Frederick T. Brawley and 3 daughters Mrs. Noreen (Russell) Packer, Mrs. Barbara (Eugene) Berk and Mrs. Margery (Ronald) woll. Eleven grandchildren and 1 great grandchild also survive.

A funeral mass was held on Tuesday at 10:00 a.m. at Holy Name Church in Wilmet. The Rev. Mark Lyons of that church officiated. Interment was at Holy Name Cemetery in Wilmet.

MR. THOMAS R. RUNYARD 70 years old of Channel Lake near Antioch, Illinois passed away on Sunday, April 15th at St. Therese Hospital. He was born September 16 1902 in Trevor Wisconsin and lived in Antioch Township all of his life. He is a member of St. Peters Church in Antioch. He retired in 1966 after working over 50 years as a licensed well driller. He married Harriet Chase on Sept. 25, 1925 in Antioch. He was preceded in death by 1 sister, Mrs. Mary Chase.

Survivors are his wife Harriet, 3 daughters Mrs. Margaret (Lee) McKinney, Mrs. Kathryn (Richard) Rogers and Mrs. Mary Jo (Michael) Zelen. Three sons, John, David and Dan, 1 sister and 28 grandchildren also survive.

A funeral mass will be held at 10:00 a.m. on Wed, April 18th at St. Peter's Church in Antioch. Interment will be in Mt. Carmel Cemetery in Antioch.

LEGAL

LEGAL NOTICE

Notice is hereby given that the Stockholders of the State Bank of Antioch, Illinois, have adopted and passed changes as stated in the following resolution.

Resolved that the charter of the bank be amended by increasing the Capital Stock of the bank from \$280,000.00 consisting of 28000 shares at \$10.00 par to \$620,000.00 consisting of 62000 shares at \$10.00 par.

Further resolve that to provide and make payment for such increase in the Capital Stock the Board of Directors are authorized and directed:

(a) To transfer \$280,000.00 from the "Undivided Profits Account" to the "Capital Account".

(b) To declare a stock dividend of \$280,000.00 par value of Capital Stock (being an aggregate of 28000 shares) now outstanding, such dividend being a 100 percent stock dividend.

(c) Set distribution date for stock dividend on March 1, 1973 and on the distribution date so fixed to cause the certificate evidencing such stock dividend to be issued and distributed pro rata to stockholders of record on January 9, 1973.

(d) To offer 6000 shares of Capital Stock at \$10.00 par to all stockholders of record on January 9, 1973 on the basis of one share for each ten shares now held by each Stockholder after the Stock Dividend. These shares to be sold at a price of \$35.00 per share for a total of \$210,000.00, of this amount \$60,000.00 shall be retained in the "Capital Stock Account" and \$150,000.00 shall be transferred to the "Undivided Profits Account". No fractional shares to be issued, any fractional shares to be pooled and sold at the discretion of the Board of Directors.

The above action was taken at a regular Stockholders Meeting held at the State Bank Building at 440 Lake Street, Antioch, Illinois on January 10, 1973 and I certify that the above action was taken and was in accordance with the "Illinois Banking Act"

"Hindsight's Better Than Foresight"

In Jest a rectory is called "a house for unwed Fathers". I'm sure these men who are given the title "Father" are a mystery for many people. They are quite human. Although they are very much like other men, they have given themselves to witness this God whom they preach.

Perhaps some personal thoughts might help to understand these men. A friend was surprised when he read the following poem which fits in well with Good Friday, the day on which God offered His Son for the salvation of mankind.

Abraham does know my soul
All senses pierced with loving terror
To tell the story of my son-
no never

Because to offer God for man
I must offer mine
God offered His own begotten Son
Now to Him, my unbegotten

My flesh like that of other men
My passion just the same
to see my son, my only son-
no never

Because to offer God for man
I must offer mine
God offered His own begotten Son
Now to Him, my unbegotten

Unbegotten Isaac, how I love you
Though never shall you be
For offering His, I offer mine-
Yes, always

Because to offer God for man
I must offer mine
God offered His own begotten Son
Now to Him, my unbegotten.

A greater love, my Issac
Is proved in offering Him
So ever unbegotten, so always remain

Yes, always
Because to offer God for man
I must offer mine
God offered His own begotten Son
Now to Him, my unbegotten.

(Genesis, Chapter 22)

Rev. Eugene Kousal

approved May 11, 1955 in force January 1, 1957 as amended by the General Assembly of the State of Illinois.

NEW TRAVEL GUIDE FOR ILLINOIS

A new travel guide for Illinois has been announced by Weekends, Inc. of Salem, Illinois, the publishers. Named The Illinois Weekender, the guide covers all of Illinois, and includes over 400 points of interest throughout the state.

According to the publishers, the guide book is geared to weekend trips, one-day excursions and short vacations. The book lists camping facilities, outdoor recreation areas and historical points of interest. Selected areas are highlighted with feature length stories. The large format paper back contains 256 pages and is illustrated with over 100 photographs. The book is sectionalized and cross-indexed for easy location of points of interest and trip planning.

The Illinois Weekender is distributed throughout Illinois and is available wherever books and magazines are sold or by mail order from Weekends, Inc. Price is \$2.50.

Weekends, Inc. of Salem, Illinois, specialize in regional travel and recreational publications, and will expand The Weekender Series to include similar travel guides for Indiana, Missouri and Kentucky later this year.

For more information contact Weekends, Inc., Box 337, Salem, Illinois 62881.

With a Stern Eye

In the elevator, sweeping to the 10th floor, I heard Lloyd Murrie tell Ron Coles that there was a new topless bottomless place opened at Routes 41 and 173. Both shook their heads in bemused impotence and we moved in unison, to greener fields—the Forest Preserve meeting. Ordinarily there is very little in a Forest Preserve meeting to stir controversy. But this one—

After the routine reading of bills, a resolution appeared which indicated the desire of the Commission to commit to the future purchase of a long list of properties. There were 1327 acres in Newport Township ("wiping out the area, eh?" said a wiseacre) 701 acres in Warren, and 221 acres in Libertyville. These purchases all appeared to be in the Des Plaines River flood plain, an area long ago designated as appropriate and desirable for Forest Preserve acquisition. There was some murmuring about that one, but it passed; 17 ayes, 2 nays and 1 pass, with only minimal fiery rhetoric about 'the people' and their interests.

Then came the \$5,000,000 bond issue and all restraints were loosed. After Bob Weismantel amended the motion to read in essence, that the Forest Preserve would issue \$5,000,000 in bonds now, while registering its intent to issue an additional \$7,000,000 at some unspecified future date (with Board approval at that time). The District 2 members picked up their swords and began.

"I would like to amend that resolution," began John Balen, "to add the designation of that property next to the Green Belt east of Green Bay—"

"Point of order, Mr. Chairman, point of order," said Sam Smith. "Mr. Balen's motion is not germane. It would have been germane to the previous resolution, but it isn't to this one."

Balen: Doesn't this resolution have to do with the sites?

Everyone: No, John. That one's been disposed of, John. Do your homework, John.

Ron Coles indicated that the people should have a voice in such spending as this. While he might be for it personally, the citizens of Lake Villa Township, which he represented, wanted to be involved in this decision, he said. Stan Pekol

assured the Board that there was no need to buy it all up right away. "Temper this thing here, and let's move along at a realistic pace acceptable to all the people." The amended resolution for the bond issue also passed however, by 15 to 7.

A harmless sounding resolution to approve the master plan for the Ryerson Nature Preserve took quite a thumping. Janet Morrison wanted to be sure that 'approval' did not commit the Board to detailed implementation. Matt Miholic took exception to the choice of reading material that would be available in the library planned for the main house. The whole project was "too restrictive" in his book. While Keith Pederson favored the master plan, he was disturbed that the other Forest Preserves were not being rapidly enough developed—"we need more ball diamonds, more tennis courts—more money should be spent on development." Mariellen Sabato pointed out that ball diamonds and tennis courts were more suitably provided by Park Districts—that the Forest Preserve should be using its funds to acquire open space. Stan Pekol indicated that in his view insufficient thought had been given to using the main house at the Ryerson Preserve for the museum. "We have had a museum in the guts of a silo in Lake Zurich all these years. We spent \$156,000 to buy it and we continue to budget for this man to look after it and—"

Ah the museum. The memories that are evoked, memories of days spent slogging through the water and plaster dust in the wells of those Nike Site Siloes—in pursuit of action on behalf of 'the artifacts'. Back when I was on the Board in 1969—

"Point of order, Point of order, Mr. Chairman." It was Sam Smith again. "The Museum belongs to the County Board. If we are going to sit here in the Forest Preserve meeting and discuss problems that belong to the County Board,—"

Pekol: If we are going to spend money, we should spend it on high priority things—the Green Belt and that area east of Green Bay and—

Balen: I move that the Director be directed to draw up a legal description of that area, in a northerly, easterly and southerly direction—

Smith: I want to amend that motion to have it sent back to the Land Acquisition committee—Norm Geary seconded.

Bedlam! Balen shouted. Smith shouted. Pekol shouted. Frank Tersar indicated he was certainly in favor of the Ryerson plan, but he too felt there should be a linking up of those properties east of Green Bay and— Smith tried to withdraw his motion. Geary, his second, would not agree. Geary then said that although

he had been accepting congratulations for staying out of the morning's discussion, he felt he had to point out that the regional considerations being voiced by the North Chicago delegation were, he felt out of place on that Board. He approved, he said, the bond issue even though Avon Township was nowhere represented there. "I am assured that this plan will benefit the entire county," he went on, "and I hate to see us going back to such limited regional representation."

"Are you withdrawing your second?"

"No."

The question of drawing a legal description for the North Chicago site was returned to the Land Acquisition Committee by a vote of 14-7.

Drained and spent, the Preservers withdrew to their various pursuits. Janet Morrison caught me in the crowded aisle and pointed me out to newer commissioners, Berliant and Sabato: "That is the fiend behind this whole—Museum business," she said tartly. "She started the whole thing."

I dimpled modestly and acknowledged that I had indeed had some small hand in—

"I'm for turning the whole thing over to Mariott," said Janet.

There was a long, thoughtful silence. Heads began to nod soberly. Someone whistled appreciatively. "—to Mariott". The thought hunk in the air before us like the emerald aura over the spires of Oz.

"To Mariott," we breathed together. "Wow!"

AREA CENTER SURVEYS

Over 4000 businesses and industries in Lake County are being requested to respond to a survey regarding their employment needs for semi-professional and skilled workers. The survey is presently being jointly conducted by the proposed Lake County Area Vocational Center and the College of Lake County.

The purpose of the survey is to gather information and opinions from employers in business, industry, governmental and professional concerns for use in establishing realistic programs at the Area Center and for expanding career programs at the College of Lake County.

The citizens General Advisory Committee comprised of representatives from business and industry, for the Area Center will closely analyze the results of the survey and make program recommendations.

A survey designed to determine the occupational interests of high school students in Lake County is also being conducted, 16,000 sophomore and junior students are being requested to complete this survey. The results of this survey, couple with the results of the employment needs survey will enable programs to be developed that are realistic in terms of manpower needs as well as student interest.

Like a good neighbor,
State Farm
is there.

With lower rates for Illinois car owners.

A reduced number of claims in the State has resulted in reduced car insurance rates for most Illinois policyholders.

And they still enjoy the same high-quality protection and dependable service that have made State Farm the world's number one car insurer.

Sound good? Then give me a call and compare. I may have some good news for you, too.

April 18, 1973

METRIC SYMPOSIUM ATTENDED BY MCCLORY

Congressman Robert McClory 13th District Representative, told participants in an all-day discussion on the status of metric conversion in the United States that Congress should adopt legislation that will give firm direction to this nation's changeover in its system of weights and measures.

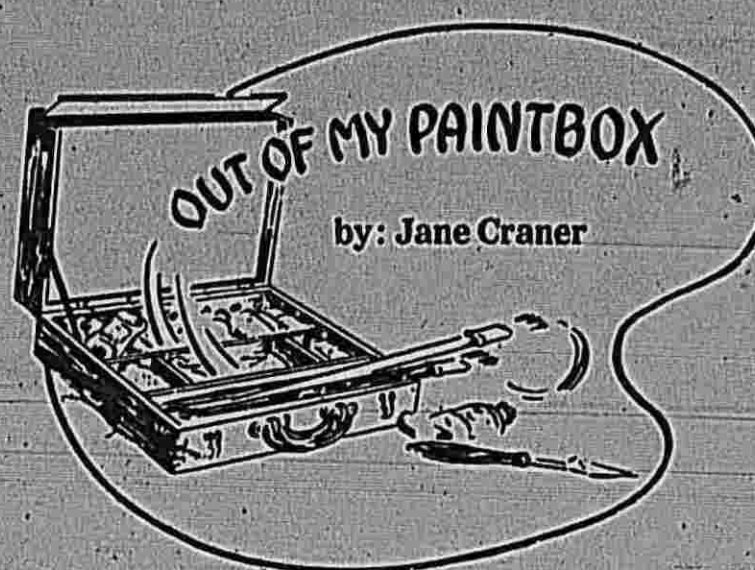

He spoke as a featured speaker at the luncheon during the day-long program sponsored at the University of Illinois Circle campus by four sponsors: Metric Association, U.S. Department of Commerce, Chicago Association of Commerce and Industry and the Tool and Die Institute with the University cooperating.

"Let us establish in 1973 the

mechanism by which a 10-year conversion program could be carried out," he asserted. "Let us embrace the entire system deliberately and without qualification. Let us provide the official governmental leadership and direction a metric conversion program requires if it is to succeed."

He recalled how most other nations of the world use the metric system and if the U.S. is to maintain its position in world commerce, it must face up to the disadvantage its businesses and industries are meeting.

Congressman McClory cited statement by persons in industries and businesses where the system of weights and measurements is of

STARTING PORTRAITS USING A PENCIL.....Now that you have practiced drawing the separate parts of the face, your next problem is to put them together in the right relationship to each other. For example, the space between the nose and lips varies on everyone, some have a long space there, where others might have noses quite close to their upper lips. Or a high forehead is another variation of spacing you might closely observe. Being able to recognize these variations in spacing will make you a better portrait artist.

I feel that a lot of practice is the only way you will improve your ability to get a likeness, yet very few people want to or can afford the time to pose for you. You have no other recourse except to work from photographs. So pick out interesting faces from magazines, black and white preferably, and with faces of three inches or more in size. Well known personalities are best because you will know better when you are getting a likeness and it is a thrill and great encouragement when others recognize whom you are drawing.

Using a No. 2 or soft drawing pencil, copy either free hand or by a mechanical method, the main parts of the picture, working lightly and avoiding erasures which will mar the surface of your paper. Be sure the features are correctly placed or a likeness will be impossible to get. This preliminary drawing is of course an outline drawing which is only temporary, for as you shade in the values just as you see them, you will have a drawing without outline. There is no outline on the human figure. You see the edge as light against dark, or dark against

light and all the areas in-between are some value from white, thru grays to black. Reserve the white of the paper for any whites, such as highlights and by varying the pressure of the pencil, you can smoothly shade in just as you observe the shading in the photograph.

Avoid rubbing pencil to get smooth shading, but by laying the pencil strokes close together and going over and over you will be able to shade as smoothly as you want. If you have doubts as to what direction to take the strokes, take them in the direction you would use if you stroked the parts of the person with your hand. In doing hair the strokes are always drawn in the direction the hair is combed. Notice that on even the darkest hair, highlights will appear as being white or nearly white. This is the sheen which shows up the contour of the head as well as the waves and curls.

In working with pencil you will be reluctant to put in deep dark as shadows on white flesh, or pure white highlights on negro flesh. Just copy the same values as you see them, trying to duplicate the photo. This is a good discipline for it teaches you to observe the slightest changes in shading which gives you the correct shapes in the face.

When you have mastered the smooth technique, try being loose and free with your drawing. If your drawing can be expressively yours and still be a good likeness of the person you drew, you are then becoming the artist not just a technician.

Happy drawing.

Next Week: WORKING FROM LIVE MODELS

LANDLORDS WARNED ON LEASES

Internal Revenue District Director, Roger C. Beck, for Northern Illinois, reminded landlords today that renegotiation provisions pertaining to rental agreements prior to January 11, 1973, which provide for renegotiation of a higher

special significance and he said that almost without exception they believe the question is not whether the U.S. will make this conversion, but "when?"

rent when controls end or which specify the higher rent to be charged when controls end, are illegal.

In the Executive Order establishing Phase III, President Nixon declared such renegotiation provisions inoperative as they are unreasonably inconsistent with the goals of the Economic Stabilization Program.

Landlords who attempt to enforce renegotiation provisions are subject to action by the Cost of Living Council and the Justice Department to prevent operation of such provisions. In addition, tenants may enforce their own behalf in court.

ANTIOCH RECEIVES \$1,533.63 FROM REVENUE SHARING

Gov. Dan Walker announced the distribution of \$5,344,847.15 to Illinois counties and municipalities as their share of state income tax collections for January 1973.

Municipalities received \$4,559,162.50 and \$785,684.65 went to counties, the governor said.

The income tax law requires distribution to these units of local government of one-twelfth the net proceeds of the income on a monthly basis.

The distribution is made on a per capita basis to municipalities while counties receive distribution on the basis of the county population in unincorporated territories. The Department of Local Government Affairs handles distribution of funds.

"Thus far, in the fiscal year which began July 1, 1972, \$47,233,722.95 has been distributed to local governments. The total paid during the previous fiscal year was \$84,345,277.07" Walker said.

Antioch received \$1,533.63 as their part of the Income Tax Sharing Program. The total funds distributed in Lake County was \$181,579.99.

NORTHEAST ILLINOIS COUNCIL BOY SCOUTS PLANS SPRING RECRUITING DRIVE

"Spring is the time for boys completing second grade to join Cub Scouting," according to council Membership chairman Charles K. Schindler, "and our council will help them join up."

Operation 2+ is the name of the program, according to Schindler, and Cub Packs throughout the council, from Evanston to Zion, from Deerfield to Antioch, will be participating.

Cub Pack leaders will be contacting all the schools in the council area to invite boys to attend a rally in late May. These rallies will be put on by individual packs, and boys will be able to join on the night of

the rally.

"One of the great advantages of this spring recruiting drive," according to Schindler, "is that boys and their families will be able to participate in pack and council activities in June and July and August thus providing constructive and worthwhile activities during normally quiet months."

Further information is available at the Glencoe Service Center, 835-4124 and the Waukegan Service Center, 662-8424.

The Northeast Illinois Council serves 17,000 young people and 7,000 adults in northern Cook and nearly all of Lake County, and participates in fourteen community chests and united funds in that area.

My column is very hard to begin this week as I must start by extending our deepest sympathies to three local families. First to Dorothy Enzenbacher and children who lost their husband and father on Friday, April 6th and to Fred and Janet Fritag who lost their baby son on Saturday, April 7th and lastly to Harriet Runyard and family who lost their beloved husband and father on Sunday, April 15th. Our area mourns the passing of all these very dear people.

Agda Frozeth and Lisa Asp along with other members of the RRA group journeyed to Pheasant Run in St. Charles, Illinois last week to a play which starred Douglas Fairbanks, Jr.

Rich and Kathy Behrens celebrated their 15th anniversary on April 12th by dining at Andre's Steak House in Richmond, Illinois with friends Mike and Mary Jo Zeien.

On Saturday, April 14th, Barb and Don Bjork hosted a gala party at Mr. Wonderful's to celebrate their Silver Anniversary. Over 140 relatives and friends helped the happy couple celebrate the event and enjoy the delicious buffet supper and refreshments. The only damper on the party was Barb trying her best to get over the flu which had been plaguing her for the previous three days.

The last volleyball session will be held on Wednesday, April 18th at the Channel Lake School gym. Walt Soderman has been opening the gym for area residents the past few months and has been having a very good turn out almost every week. The area has really enjoyed themselves on Wednesday nights and is very grateful to Walt for the

opportunity to get out and exercise.

This week is registration time for all kindergarten age children in the Antioch School District. Children in our area can register at the Channel Lake School. They must be five years old before December 1 and parents must bring their birth certificate upon registration.

Boy Scout Troop 91 competed in the annual First Aid meet at Avon Grade School. Our boys placed second in the meet.

Start saving your newspapers again as the 7th graders at the Antioch Upper Grade School will be having another paper drive on Saturday, May 12th. More information will follow in coming weeks in this column.

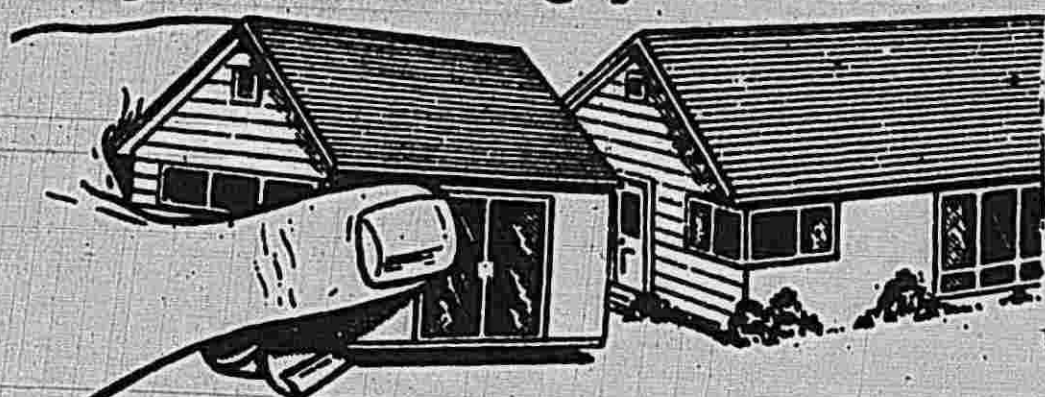

Let me know the news.

SEQUOITS 0- GRANT 11

Batteries: Antioch - Popp (5) Amundsen (1) and Vazquez.
Grant - Gooslin, Dreyer and Gagers.

The Sequoits lost their first game to Grant last Friday afternoon at the Bulldog's field. The game ended with a score of 11-0. The Sequoits threatened to score two times - in the first and fourth innings. In the first inning, Tim Mieux singled followed by a walk to Fred Popp and Steve Vazquez. But a strike-out and a fly ball ended the inning. In the fourth, Tom Pocrnich

went to first on a fielders choice, stole second and Judd Smith walked. But two strike-outs ended the inning. Antioch left 11 men on base but could not score. Hopefully, the Sequoits will be loosened up some for their game on Tuesday with Lake Forest. On Wednesday the Sequoits take on the Salem team weather permitting.

LAST DAY FOR LITTLE LEAGUE SIGN UP

Saturday, April 21 will be the last day for Little League sign up. Hours are 10:00 a.m. to 4:00 p.m. at the Scout House on Main Street.

Weather permitting, try outs will be held on Saturday, April 28th at 10:00 a.m. at the Little League field. All boys ages 9

thru 12 who are not already on a little league team are eligible for try outs. Bring a glove and a cap.

For further information call League president, Richard Kessler at 395-0222 or Secretary Bernie Gutowski at 395-0864.

CENTRAL HIGH

BEGINS GOLF SEASON

Central High of Salem, Wisconsin began their golf season on Thursday, April 13. Home matches will be divided between Bristol Oaks Country Club and Spring Valley Country Club.

Coach Dorm Grams is working very hard with his young and inexperienced squad. Returning lettermen, Capt. Russ Bain, Kevin Sheehan, Paul Neilsen and Pat Pouler will be asked to carry

most of the load. Other squad members are Seniors Tad Barnett, Al Steiber; Juniors: Elmer Threlkeld; Sophomores Kurt Eckberg, Ed Joras, Mark Kunke, Bill Maurer, Jim McCormack, Bob Tremonte, Ron Wuttke; Freshmen: Todd Bloom, Frank Buzta, Ted Halbach, Greg Hartman, Rich Holloway, Ken Keisler, Guy Neau, Ken Redmond, Tim Reiger, John Watson and Tom Zoeller.

BOWL, WIN \$1,000

It's spring again and for the 28th year Antioch Bowling Lanes is hosting a single tournament open to all sanctioned bowlers; both men and women. Even to bowlers who didn't bowl this year but bowled last year. So far several hundred bowlers have participated; local bowlers from in and around Antioch as well as bowlers from neighboring Wisconsin, Iowa, Indiana, Michigan, Ohio and one bowler as far away as Spring, Texas.

All have one common thought in mind. One goal they all wish to attain. One Thousand Dollars. That is the first place money being offered to the male bowler this year who comes up with the highest

score. Three hundred dollars for the highest female scorer.

So far more than three hundred dollars have been mailed out to the lucky bowlers having won weekly prizes.

Leading the tournament so far is Paul Heath from Antioch with 692 including handicap: 638 scratch. Followed by Bill Collins from Villa Park, Illinois with 680. Juanita Hodge from Franklin Park is leading the women with 636.

Choice reservation spots are still available and can be made simply by calling Antioch Bowl, 395-1155. The entry fee is only \$6.00 and the Thousand Dollars is still waiting to be won for first place, along with a huge trophy on display at the lanes.

OTTO & PETERSON WIN GENEVA STOCKS

Roger Otto, Burlington, modified stock car driver, scored two wins at the Lake Geneva Raceway Saturday night to keep his record going undefeated in 1973 even though Whitey Harris, Lake Villa, took fast time honors. Bob Peterson, Lake Geneva scored his first win as he took the lead on 19th lap of the 25 lap Sportsman feature. He was the third leader in the tightly bunched race.

John Baumeister, Lyons led from the start but lost his advantage shortly after the second restart to Gordy Mudluff, Wind Lake, who looked like a sure winner until he slowed and Peterson was able to move around.

Otto's win came after he had moved around Carmen Mezardo, Antioch but it might have been a much tougher battle for the Baron from Burlington if Ron Marish, Milwaukee had not spun off the number one turn after getting by Otto. Marish was stalled in a snow drift off the turn and unable to drive out. Whitey Harris finished third. Earlier, Otto won the 12 lap heat race over Marish and Menzardo.

Terry Blackley, Lake Geneva opened the Sportsmans

competition by winning the first heat over Jeff Hutchinson, Salem and Raymond Alberth, Delevan. Fast time qualifier, Paul Croddock, Round Lake was only able to get up to third in the second heat and finished behind Mudluff, second and Baumeister the winner.

The third heat race winner was Dale Brandenburg, Janesville who just nosed out Larry Rieke, Lake Geneva and Ron Navlyt, Woodstock.

In the Jr. Sportsman class, Fran Prestay, Silver Lake was a heat winner and then came back to win the feature.

Don Menard, Delevan, was the F.J. Stock class winner of the night. Rudy Duppee, Zenda, was slightly injured when his car hit the fourth turn wall. He was taken to the hospital where a cut on his chin was stitched and he then returned to the track. His car was completely demolished in the impact with the wall.

Cars as well as fans were significantly up from the previous week even though the weather was far from "summerish". The four classes will return next Saturday night with Roger Otto trying to keep his undefeated win streak going.

SATURDAY NIGHT STARTED THE LATE MODEL STOCK CAR SEASON

The late model stock car season had a thrilling start Saturday night at the Waukegan Speedway as defending sportsman champion George Dukas of Zion edged veteran Chuck Clark of Wauconda in a bumper-to-bumper finish in the 25-lap main event.

Dukas, wheeling a 1969 Mercury Cyclone, gained the feature lead in the 15th lap when Dave Horst of Gurnee slid high in his 1969 Chevelle. Horst later hit the backstretch wall and dropped out.

Clark edged by Dennis Heiskala in the 19th lap for second and caught Dukas with four laps to go. The crowd came to their feet as Clark pressured Dukas right to the checkered flag. Heiskala of Waukegan was third.

Wendell Stevenson of Gages Lake won the trophy dash in a tight finish driving a 1969 Dodge. He then came back for fourth in the main event. Joe Horn of Lake Bluff was fifth and Chuck Bostick of Waukegan took sixth.

The most serious accident of the night came in the fast heat race when Jim Carlino of Mundelein spun in the second turn and was hit head-on by Joe Francisco of Island Lake. Francisco, who had the night's best time at 16:04 was eliminated for the night.

The heat races were hotly contested with the drivers looking for their first win of the year. Gene Pennington of North Chicago won the opening heat with Waukegan's Dennis Topcik and Bill McDonald of Crystal Lake winning the other two.

Before the trophy dash was run, promoter Gordon Sill presented six drivers with jackets and color pictures of their race cars for participating in the recent race car show at the Belvidere Mall in Waukegan. The only double winner of the night was Vyrn Hoftiezer of Great Lakes who won both hobby events in a 1955 Chevrolet. Mickey Ladwig of Round Lake nearly rolled over in the final event.

Late model sportsman and hobby racing returns to the Waukegan oval twice more in April before the track goes into two-night weekend operation. Then the sportsman will be racing on Saturdays and the late model super stock class will compete on Sundays.

Racing at the Waukegan Speedway starts at 8 p.m. with time trials one hour earlier. Last Saturday's card was over at 10:05 despite numerous accidents.

After one night of racing Duaks leads Clark in the point standings by 1-1/2 points.

OLYMPIC GAME TOURNAMENT

Two area schools have made the first hurdle and advanced to the semi finals in the Olympic Game! Yes, teams from Antioch and Waukegan have overcome strong opposition to advance. And in the next 6 weeks you can watch these two schools attempt to reach the finals. In order to advance, Antioch, who has defeated Thornridge and Argo must beat Morton East and Walther Lutheran. Waukegan must overcome Riverside-Brookfield and St. Joseph in order to advance. The winners of these matches must defeat Oak Park-River Forest to win the championship. The winners of these semifinals matches

will each get \$100 for their schools. Seeing as the match has been played, Antioch's chances look very good, and they should advance.

The Olympic Game is a quiz show in which parents, teachers and students compete against each other. It is shown on Channel 44 at 5:00 p.m. Saturdays. The Antioch Segment will be televised on April 14, 21 and 28. The Waukegan segment will be shown during the next following 3 weeks. I would like to congratulate those people who have appeared on the show. And I wish them luck in the finals.

GOLF PROSPECTS GOOD AT MILTON COLLEGE

The prospects are good for another fine Milton College golf season this spring and while the tennis team will not be a powerhouse there is hope the netters will be improved over previous years.

Coach Peter Shaffer has four returning lettermen on his links team and the two seniors—Pat Furca, Rockford, Illinois, and Steve Babcock, Janesville—are standouts. Furca is a three-year letterman. Babcock has won two awards.

Jim Weiss, Antioch, Illinois, and Bill Graening, Western Springs, Illinois are there other players with previous experience on the college level.

Village Elections, that once seemed so far away, finally rounded the corner and took place on Tuesday, April 17th. It turned out to be a nice day for voting, the sun was warm, although the day was cooled by a constant wind. All of the candidates kept a constant vigil outside of the two precincts. Some of the candidates rotated from precinct to precinct, while other held fast to their ground. They talked with the voters and were on hand to answer any questions, etc. Many of the candidates took their places as early as 6:00 a.m. when the voting began.

Touring the polls at 11:00 a.m., five hours after the voting had begun, it was interesting to see the situation from the eyes of the candidates.

Antioch's Mayor Toft, who is running for his third term, commented that a great number of people had already voted.

He said, "This will probably be the biggest election the Village of Antioch has ever had; I really think there is going to be a big turn out."

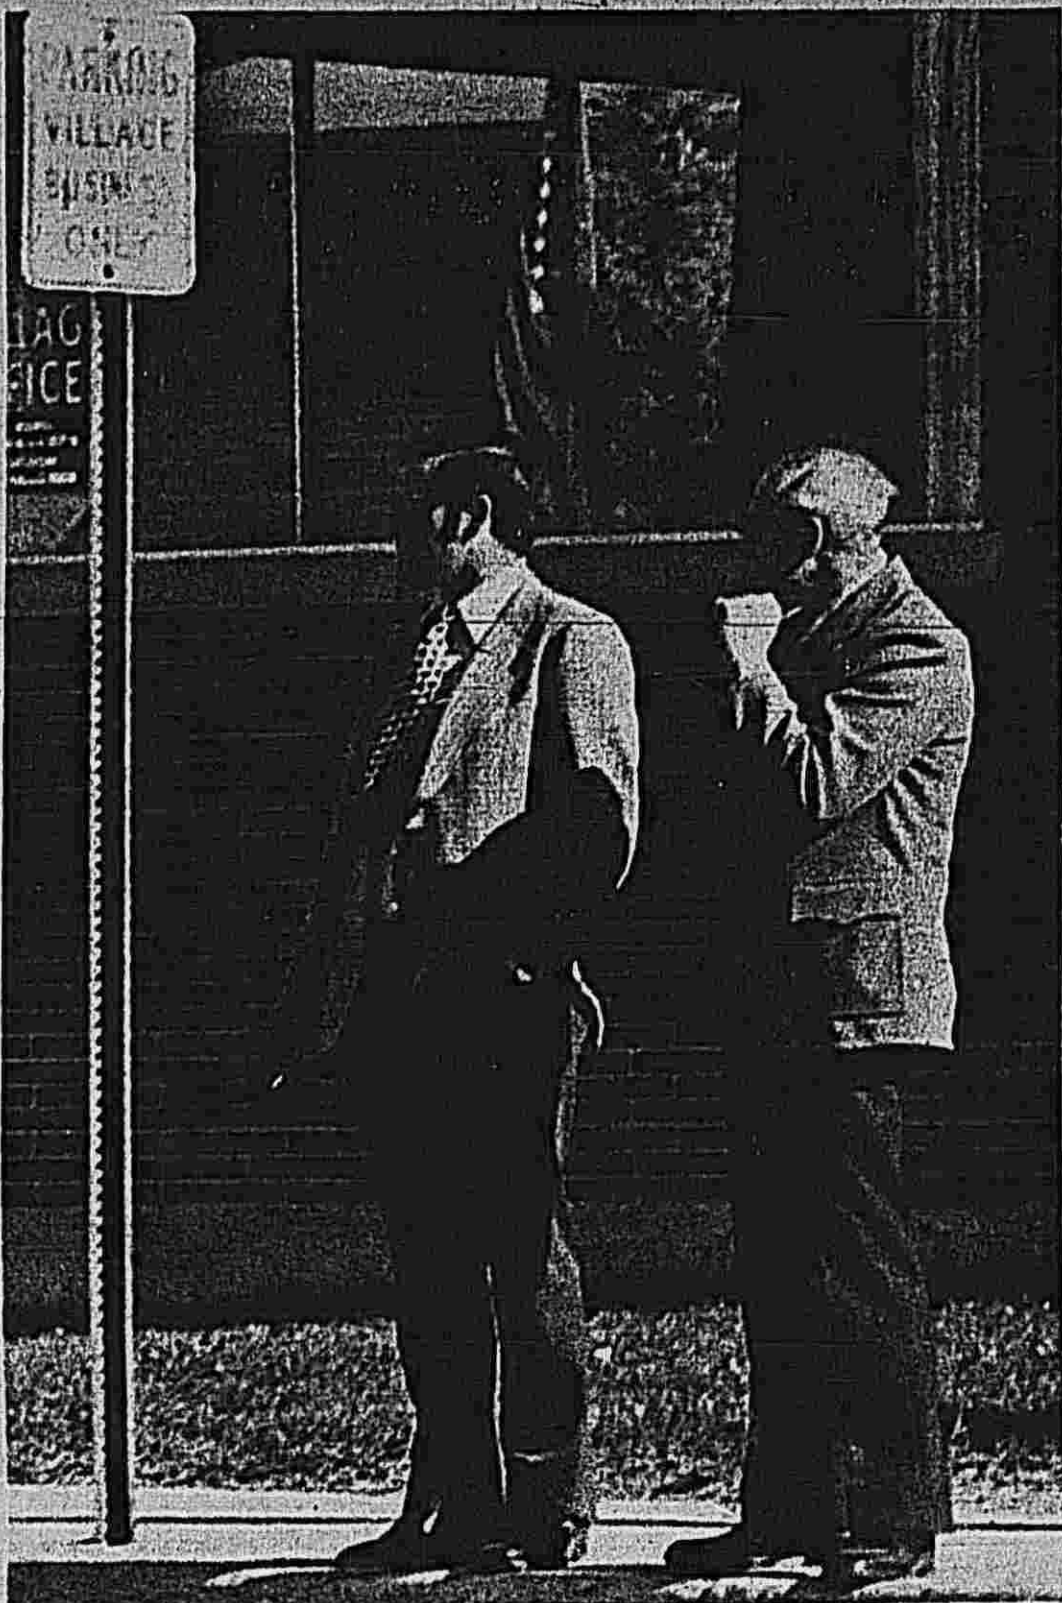

Toft also mentioned that this is the toughest competition he has ever faced in an election.

After having a low-scale campaign he said that it is hard to say how effective it has been, but he did say that it had been successful in the past. He did do some door to door campaigning, however, and he said that he reached probably about 700 people during his total campaign.

Citizen's Action Party Candidate Robert Wilton also had several observations to make. He too felt that the voting was fairly heavy.

He said, "It really looks like we are going to have a good turn out."

When asked how effective he

felt his campaign had been?, he said,

"Well, we'll know tonight. However, there seems to be a lot of enthusiasm."

When asked how many residents he had reached during his campaign he said, "I hope that we reached everybody, we really tried to."

He also mentioned that during his door to door campaign people seemed to be pretty responsive. In fact, they were pretty friendly and no one slammed the door in his face.

Independent Candidate, Marge Nelson, also felt the turnout was exceptionally

knocked on every door in the area. She described the people as wonderful, literally wonderful.

When asked if she thought her campaign had been effective she said, "I'll tell you tonight, when the election is over. But I would hope so. People seem to like personal contact and they can feel free to ask questions they would hesitate to ask in front of a crowd."

Marge Nelson does not feel that being a woman has hurt the effectiveness of her cam-

paign in any way.

She said, "The people are not voting for the sex, but rather for the person, who can do the job the best. They are not really so concerned about the sex of the candidate."

Marge has two more years to serve as a Trustee on the Board. If elected, her seat will be vacated, and she will be able to select a person to take her seat. When asked who she would like to see take her place she said, "I have no comment on that at this time."

good. At 12:30 p.m. she commented there were some 600 votes that had already been cast. She observed that the voting would no doubt get heavier as the afternoon wore on, especially during the final hours of 4:30 to 6:00 p.m.

Mrs. Nelson conducted largely a door to door campaign and reportedly
